Hi (b)(6);(b)(7)(C)

Thanks for your e-mail. There was nothing that I found that led me to believe that the father was deceased; I simply thought it best to look into that issue since it is relevant to determining whether the claimant derived citizenship under former INA § 321. That said, it sounds like you have evidence that the father is still alive, so that would undercut any argument that the claimant has satisfied the second part of former INA § 321.

Thanks again for your hard work on this memorandum. If you have any other questions or concerns, or need any additional help from ILPD, please let me know.

Best,

Thank you.

Greetings,

Please find attached a USC memo regarding (b)(6);(b)(7)(C) who is currently in ERO custody at the Theo Lacy facility in Orange County, CA. (b)(6);(b)(7)(C) is an unrepresented LPR in proceedings due to a child cruelty conviction under California Penal Code section 273a(a). We prepared this memo after receiving a naturalization certificate for his father.

The facts here are fairly straightforward. (b)(6);(b)(7)(C) was born in Guatemala in 1973 and did not become an LPR until 2001, at which time he was 27 years old. His father was born in Guatemala and

became a naturalized U.S. citizen in 1996, at which time (b)(6);(b)(7)(C) was 23 years old and residing in the U.S. without lawful status. His mother is a native and citizen of Guatemala with no lawful immigration status in the U.S.

This makes sense to me, and seems to be to our advantage as well as OCC-Honolulu's. Any issue?

Hi (b)(6);

Our FOD is in San Francisco (which is a 2 or 3 hour time difference depending upon the time of year). If I wait for his review of completed detained USC claim memos, I sometimes can't forward to the USC claims box until the next a.m. (which is already the afternoon in D.C. because of the 5 or 6 hour time difference). For detained cases only, (b)(5)

review. I've run this suggestion by FLO. See below.

Let me know if you are okay with this. As I mentioned below we have a very small detained docket so will impact only a minimal number of cases. Thanks.

Any objections to my contacting (b)(6);(b)(7)(C) to see if ILPD is amenable to my sending Detained USC claim memos to ILPD w/o waiting for the FOD's signature? Oftentimes because of the time difference between SFR and Honolulu, OCC Honolulu completes a USC memo one day but has to wait until the next morning to receive it back from ERO with the FOD's signature. By that time it is already the afternoon in D.C.

Hi (b)(6);(b)(7)(C)

Thank you for discussing this case with me today. As we discussed, based on your additional research, I have reached out to ERO and recommended that R be released. R will still be on OSUP, but in the interim, her attorney will get an affidavit from R's mother regarding any information she has on R's biological father's identity and any alleged fraud. The attorney also mentioned that she would have R file for a passport.

Once we receive the affidavit from R's mother, we will elevate an updated memo to incorporate the research below, as well as the affidavit.

We will be in touch,

In August 2016, ERO-WAS received intelligence that (b)(6); may be removable after his most recent arrest for assault and battery on a family member. ERO-WAS had previously declined to target (b)(6); because of a previous determination by ERO in 2009 that (b)(6); had a probative claim to U.S. citizenship. Hi (b)(6):(b)(7)(C)

I wanted to loop you both in on this USC memo, both in case I get push-back from the OCC and because it raised an interesting legal issue I had not previously encountered. (b)(6):(b) so far the OCC has been cordial (see below), but since the questions I raised in my comments could potentially change this case from non-probative to probative and some of the legal issues are a bit novel, I just wanted to make you aware of it.

As an FYI, and (b)(6) can correct me if I'm wrong, the alien's first entry was as an LPR after age 18, therefore he was not residing permanently in the US before age 18. We can make it clearer that he had no prior entry in the memo.

ATTORNEY CLIENT PRIVILEGE COMMUNICATION*

Attached please find a memorandum discussing the claim to U.S. citizenship of (b)(6);(b)(7)(C). As explained in more detail in the memorandum, the individual has not established a probative claim to U.S. citizenship because the individual's recently created records of birth in the United States are in sharp contrast to a series of historic records including a Mexican birth record recorded around the time of her birth. Thus, (b)(5) Currently, she is not detained.

OPLA-ILPD agrees with the analysis and recommendation – does HQ ERO agree?

My concern from the beginning is that this woman was unwilling to produce a single form of ID from the US or any other country with either a photo or a fingerprint. I firmly believe there are very few people in the civilized parts of the world that don't have some form of ID. Since she has consistently refused to provide any form of ID, (b)(5) Equally important, we are bound by the passport. As such, we will be bound to treat the sister as the citizen this women claims to be.

Wow, (b)(6); I've never even looked at that subsection of the statute before (it's INA § 301(c), though, not § 301(a)(3)). You're absolutely right; the provisions for two USC parents is appropriately much less restrictive than for one USC parent. Thank goodness for the ILPD hive mind...

(b)(5)

Unless anyone disagrees, I'll move forward with that. Very politely and diplomatically, I promise.

I'm working on bringing this up-to-date for your review, but have hit a couple snags that I believe require re-drafting and re-distributing the USC Claims Template Memo prior to completing the training. This version of the Memo was disseminated by ICE Policy, so I don't think we can do this on our own.

In light of the recent broadcast email (and (b)(6);) on changes to certain OPLA headquarters position working titles, it would seem the Memo must undergo re-drafting since it is currently directed to "Director of Field Operations, OPLA" and "Assistant Director for Field Operations, ERO." This is significant for the PowerPoint training because I use an image of the first page of the Template Memo in introducing the Memo.

Additionally, the Memo needs to be updated to reflect (b)(6);) point, made last summer, that the "probative evidence" shorthand in wide use is found nowhere in the Directive itself. In the OPLA 303 trainings presented last summer, for the standard formerly known as probative, the PowerPoint was modified to read: "The evidence 'strongly suggests' that individual is a USC = the claim to U.S. citizenship is credible on its face." But this is likewise inconsistent with the Memo, which uses the "has / has not presented a probative claim" language throughout.

Would it be wise to re-work the Template Memo first?

Thanks,

All,

I just received a voicemail from reporter (b)(6);(b)(7)(C) of Hawaii News Now requesting a comment. She referenced a story (b)(6);(b)(7)(C). The reporter stated that she has comments from the man and his family and would like to "get the other side".

Based on the facts she provided I assume the person she is referring to is (b)(6);(b)(7)(C) (b)(7)(C) as he is the only current Honolulu case I am aware of that fits this description. On January 24, 2017, (b)(6);(b)(7)(C)

I can get you whatever facts you need but it's probably best for someone from the PAO to first confirm this is the case being referred to and find out the nature of the inquiry. The reporter mentioned that I'd likely seen promos about the story, but I've heard nothing and see nothing on their website so don't know the nature of the story.

The callback number that reporter (b)(6);(b)(7)(C) left is 847-(b)(7)(C) and she said to ask for (b)(6);(b)(7)(C) (b)(6)

I'm in my office if you would like to discuss. Thanks.

Thanks, (b)(6) We hadn't heard about this incident, but you're correct that an admin claim or a suit or both might result. I'll ask (b) to have ERO document the circumstances behind the person's transfer from the USMS to ERO, and what ERO was and wasn't told. We might never find out on whose end – USMS or ERO – the e-mail problem occurred but if ERO wasn't told there was a question about the person's citizenship it might be tough to fault ICE for the removal (in addition, I wonder why the USAO didn't tell the OCC why they were dismissing the reentry case).

Either of you know whether we've recommended a memo in such circumstances? At this point, I don't know that it's necessary, but they should take great PLANet notes. I just don't know what prior practice has been.

Thanks, (b)(6); I totally get the frustration. They really didn't run everything down here, and I know lots of people still seem to think that they can just shift the burden to the alien to produce documents and call it a day (not to mention the internal inconsistency in the reasoning here).

In the future, if you are running up against a wall, please feel free to loop us in. I'm happy to tag in and to press local offices. I appreciate you going to great lengths to handle it entirely yourself; I just don't want you being pushed to the point of total frustration. ☺ (b)(6);(b)(7), and I can deal with those cases (or ACCs) that are likely to result in (or have already led to) total frustration. With as hard as it is to build good will these days, I just don't want to have things get chippy. When they do, things turn sour, and it's just so tough to get back to neutral territory with the relevant office/attorneys.

I am not sure how the process works so I am not sure if (b)(6) equal to the #ice opa ero group means that it has gone out or not. Yes, sorry, I was thinking that most of the 169 were detained but that's probably not accurate. It's hard to craft a statement that doesn't mimic the probative evidence language.

Not sure if this went out yet, but we're all 169 releases, or were there some cases where probative claims were found on the nondetained docket? Should we tweak the language slightly?

We weren't sure if this had gone out already, but if not, can we please make a minor

correction? Specifically, (b)(5)
(b)(5)

Some of these 1000+ claims were likely raised on a nondetained docket. So their custody status would not have changed. Also, in some cases we may terminate proceedings, but in others we may let the case proceed before the IJ because the claim isn't fully established, though it is probative.

Thanks!

Sorry. I realized now that I didn't copy (b)(7) and (b)(6); on my last.

I have statistics. I have no issue with them going out, if they are fine on your end and with the 11th floor.

For FY15 (as the below data was only a partial year), ILPD reviewed 876 claims to U.S. citizenship, 168 of which were probative claims.

For FY16, ILPD reviewed 1101 claims to U.S. citizenship, 169 of which were probative claims.

For FY17, through January 31, 2017, ILPD has reviewed 286 claims to U.S. citizenship, 48 of which were probative claims.

If OPA would like to issue a statement including the data below to the reporter as a media release, ICE can do so (there are no legal restrictions on releasing aggregate data like the below.) However, if this is something that OPA does not want to provide, the requestor is certainly able to try to obtain the same through FOIA.

Hello all, picking up where this last left off on July 9 with our response below, (b)(6):(b)(7) with the Washington Post is now asking for some additional data for his story. He's asking for an update to FOIA data provided in 2013 to the ACLU.

I propose we provide him with the following data, provided by OPLA (he already has 2009 to partial year 2013 from the 2013 FOIA response, attached):

(b)(5)

He's also asking for updates to a 2011 data document provided as part of the 2013 FOIA. Attachments provided from OPLA to OPA provide additional breakdown of information for 2013 and 2014 (a document was not available for 2012) and in some ways go beyond the 2011 document provided by FOIA to the ACLU in 2011. PAO is seeking concurrence to also release these files – or if reporter needs to FOIA for this. (The 2013 FOIA response and 2011 data document are also attached, for reference).

Hi (b)(6):

Thanks very much for your time. So per discussion, I've attached a cover letter from ICE dated April 19, 2013 responding to ICE FOIA Case Number 2012FOIA13686 by the ACLU Immigrants' Rights Project. Again the FOIA was for information regarding claims and disposition of claims in response to the Morton memo regarding investigating claims of U.S. citizenship. The Post is seeking an update of:

1) items 6 and 7, (e.g. please see attached a 2-page excerpt of an OPLA document summarizing FY2011 claim data by probative/total, broken down by office, legal bases of probative claims, case disposition following probative determination and charging agency).

2) updated figures through the present of those presented in the cover letter and copied below summarizing counts of claims memoranda reviewed and determined to be probative by Fiscal Year.

"In addition to these documents, our search of ICE OPLA produced the following information concerning the number of claims reviewed by ICE:

"FY 2009 — No statistics were located.

"FY 2010 — No statistics were located. Our search revealed that the ICE OPLA Immigration Law and Practice Division (ILPD) was assigned the responsibility of reviewing such claims during FY 2010; however, did not keep metrics concerning such reviews.

"FY 2011 -During FY 2011, ICE OPLA ILPD reviewed 1,204 USC Claims Memoranda, of which 196 were determined to have probative claims to U.S. citizenship.

"FY 2012 - During FY 2012, ICE OPLA ILPD reviewed 1,314 USC Claims Memoranda, of which 275 were determined to have probative claims to U.S. citizenship.

"FY 2013 - To date in FY 2013, ICE OPLA ILPD has reviewed 666 USC Claims Memoranda, of which 126 were determined to have probative claims to U.S. citizenship."

3) Counts by Fiscal Year of Claims Memoranda received, if such counts are different from Claims Memoranda reviewed.

Thank you again for any guidance, happy to discuss ways to expedite a response. Best,
Spencer,

Subject: Wash Post query re: U.S. citizen detention/deportation

Hello (b)(6);(b)(7)(C)

I'm one of the reporters for the Washington Post. So per discussion, can you please help me on deadline of noon Friday vet some information and provide a comment or two? I would be glad to discuss further.

(b)(6);(b)(7)(C) a Northwestern University professor and director of the Deportation Research Clinic, has released the results of a FOIA request of EOIR adjudication records that her group has analyzed and say shows a count of cases closed after a claim of U.S. citizenship.

The clinic FOIA'd EOIR records with an adjournment code used when a subject makes a citizenship claim. They found that between Jan. 1, 2011, and Sept. 30, 2014, 256 cases were terminated following claims of U.S. citizenship; 51 were closed administratively; and 10 were closed by ICE prosecutors. Of those whose cases were terminated while they were in detention, they had been detained an average of five months.

(b)(6);(b)(7)(C) has blogged about it here. <http://stateswithoutnations.blogspot.com/2015/05/deported-us-citizen-andres-robles-wins.html> ["**EOIR FOIA Case No. 2014-23528**. The Executive Office of Immigration Review releases to the Deportation Research Clinic data on 1,219 individuals with immigration court hearings between January 1, 2011 and September 30, 2014 whose cases have adjournment codes indicating 'Alien Claim to U.S. Citizenship,'" or a hearing that may determine the adjournment was because of a U.S. Citizen Claim to U.S. Citizenship... "256 orders terminated for cases adjourned because of 'aliens' claims of U.S. citizenship." Also, see blog section beginning, Analysis of Cases Adjourned Using a Code for Claim of U.S. Citizenship: January 1, 2011 to September 30, 2014]

Questions:

1) Does ICE have any concerns/objections/corrections to Stevens' findings about the FOIA analysis?

2) In a follow up written answer to a question asking how often ICE had detained U.S. citizens, ICE in 2008 stated to Congress: "ICE does not keep track of how many U.S. citizens have been detained." Problems with ICE Interrogation, Detention, and Removal Procedures: Hearing Before the Subcomm. on Immigration, Citizenship, Refugees, Border Security and International Law of the H. Comm. on the Judiciary, 110th Cong. (2008). at 139. Is that still the case, if not, how and when did it change, and how often has ICE detained U.S. citizens?

3) Has ICE/DHS requested EOIR data about citizenship claim cases if so at what times and in what ways? Has EOIR otherwise shared this data with ICE/DHS? If so when, and under what circumstances?

4) Has ICE/DHS analyzed citizenship claim cases for whether the number has increased, decreased, stayed the same over time, for causes/risk factors/vulnerable populations for such cases, or for other purposes. If so please describe its findings and what results were used for.

5) Is the following still in effect: Memorandum from John Morton, Assistant Sec'y, ICE, to Field Office Directors, Special Agents in Charge, and Chief Counsels on Superseding Guidance on Reporting and Investigating Claims to United States Citizenship (Nov. 19, 2009). If not, please release all subsequent guidance.

6) The Morton memo states that investigations into an individual's claim of U.S. citizenship should be prioritized and that Office of Investigations (OI) and Detention and Removal Operations (DRO) must consult with the Office of the Principal Legal Advisor's (OPLA) local Office of the Chief Counsel (OCC). The memo also states that OI, DRO and local OCC must jointly prepare a memorandum examining each claim of US citizenship by individuals subject to an NTA, enter a note in EARM, and place a copy of the memo in the individual's A-file and in GEMS.

The Morton memo goes on to state that DRO and OPLA must jointly prepare and submit a similar memorandum for each claim of U.S. citizenship by a detained individual to HQDRO Assistant Director of Operations and HQOPLA Director of Field Operations, with similar notations made in EARM and copies placed in A-file and in GEMS, as well as resulting decisions.

a) Since the Morton memo, how many individuals' claim of U.S. citizenship has ICE received? How many of those individuals were released?

b) For each category of individuals subject to an NTA and detained individuals, how many such memorandum have been prepared, by year, and what was the decision or result, e.g. how many individuals were removed/released? If ICE does not track the latter, why not?

c) What office or entity is responsible for monitoring or analyzing how often or why such claims or made, how often they result in release or case closures, identifying vulnerable populations or otherwise minimizing citizen detention or deportation?

7) Would ICE provide a senior official to comment about his thoughts about government accounting of how often citizens are wrongly swept up by U.S. immigration authorities, any lessons-learned, and government response?

Thanks for your time, I would be glad to discuss ways to expedite.

Best, (b)(6):(b)(7)(C)

Good Afternoon,

The claimant, (b)(6);(b)(7)(C), is in the custody of the U.S. Immigration and Customs Enforcement (ICE) at the Denver Contract Detention Facility in Aurora, Colorado. The claimant is currently in INA § 240 removal proceedings. Indicia of possible U.S. citizenship arose when the claimant stated to an ICE officer that his father is a naturalized U.S. citizen. Thereafter, ICE conducted an investigation and completed a USC claim memo.

Hi (b)(6);(b)(7)(C), can we discuss this USC claim when you get in this morning? (I had discussed briefly with (b)(6);(b)(7)(C) yesterday evening and we had planned to touch base again this morning, but it appears she'll be out sick today.)

This is a close case where ordinarily I would probably hold for additional investigation/evidence, but R is a reinstatement likely to be removed tomorrow who does not wish to drag things out to pursue the USC claim. So, basically release or remove are the only options.

Please see attached and forwarded emails below and give me a call at your convenience. Thanks much!!

Thank you for elevating this memo. ILPD respectfully requests that the OCC make the following edit to the memo and upload the edited memo to PLANet: the claimant's name is spelled differently in the document title and on page 2 than it is on page 1. The spelling is significant as it compares with the claimant's father's similar name, and the claimant is asserting a claim via his father's USC status.

We are currently seeking concurrence from HQ ERO; I will update you as soon as we hear back.

Thank you,

Hi (b)

(b)(5);(b)(6);(b)(7)(C)

As for timing, this claim was just elevated this afternoon, so I think we could complete your request to the OCC either today, if you're still on the clock, or Monday. We don't have enough info yet to recommend release if the alien is detained.

Thanks,

Hi (b)(6);
(b)(7)(C)

I just left you a voicemail. I agree with the points that you make below. Ultimately, I was planning on taking your e-mail and using it as the basis for a response to the OCC (in which I ask the OCC to please edit the memo and re-elevate it). Is that okay? Also, is there a specific timeline that needs to be followed in this matter (deadline for re-elevating the memo, etc.)?

Thanks for your guidance!

I glanced at this quickly and a couple points leaped out at me (and probably to you as well, but just wanted to be sure). This memo is not ready to be elevated without first addressing the following issues:

(b)(6);(b)(7)(C);(b)(5)

Once ATL has done so, I'd be happy to use the ILPD Ancestry account (or can give you the login info) to see if census, military, or other public records support the bio dad's physical presence.

Hi (b)(6);(b)(7)(C)

I am USC claims duty attorney today, and I am working on the claim mentioned below. While I have not finished reviewing the memorandum, I wanted to reach out to you and see if there was anything special I needed to do in this case given the media interest. I didn't think so, but thought I would reach out and double check just to be sure. Also, once I resolve this matter, I may circle back with you both, if you don't mind.

OCC Oakdale let me know that they recently elevated a new USC memo etc. in this case and requested a POC (the previously USC memo was reviewed several years ago by (b)(6);(b)(7)(C)). It looks like they sent the memo to the ILPD-W box, rather than USC claims. However, I am already the POC on this case for OIL, so if you want to assign it to me, that is fine.

Hi (b)(6);(b)(7)(C),

I wanted to loop you both in on this USC memo, both in case I get push-back from the OCC and because it raised an interesting legal issue I had not previously encountered. (b)(6);(b) so far the OCC has been cordial (see below), but since the questions I raised in my comments could potentially change this case from non-probative to probative and some of the legal issues are a bit novel, I just wanted to make you aware of it.

(b)(5);(b)(6);(b)(7)(C)

I was surprised by this! Have you encountered this in a case before?

Best,

As an FYI, and (b)(6);(b)(7)(C) can correct me if I'm wrong, the alien's first entry was as an LPR after age 18, therefore he was not residing permanently in the US before age 18. We can make it clearer that he had no prior entry in the memo.

I don't think so. We can assign a DCLD POC to assist ILPD and your office with any discovery, etc. that might be involved. We'll help ILPD get a preservation notice issued.

I apologize for the delayed response – it has been a hectic week. I did not get to this today, and I am out of the office tomorrow. However, I asked (b) and (b) to take a look tomorrow. If they are not able to do so, I will make sure to revise it Monday morning. Since she is not detained and does not have any upcoming hearings, I hope this will not present a problem.

Have a good day,

Good Morning Mr. (b)(6);(b)(7)(C)

I hope you were able to relax while on leave.

I write to follow-up on my request to receive a copy of the NTA and DHS' evidence in Mr. (b)(6);(b)(7)(C) case. I am sorry to bother you about this, but EOIR has yet to get back to me regarding my ROP request.

Also, I write to ask whether DHS will take a position on my request for an adjournment at our next master on 1/31/17. I will be prepared to take pleadings, but am going to ask for another master due to the fact that I have several FOIA requests pending - two with the DOS and two with USCIS. I believe the information contained in the responses to those requests will be helpful for our inquiry into Mr. (b)(6);(b) US citizenship.

I want to thank you for your regular communication with me over these past few weeks. I sincerely appreciate it. Lastly, know that I will be at Varick street today starting around noon. I have a 1pm Individual with (b)(6);(b)(7)(C). Therefore, if it is easier for you, I can swing by the window to pick up the NTA/evidence; just let me know.

Sincerely,

Sadly, this is still catch up from Friday! I grabbed some of (b)(6) from Thursday because she was feeling overwhelmed, plus my own, plus grabbed the E/W duty while (b)(6);(b) was out. It was a bit insane ☺. I should remember that I never get light days on USC claims so I can't cover double duty boxes.

Good Morning Mr. (b)(6);(b)(7)

I hope you were able to relax while on leave.

I write to follow-up on my request to receive a copy of the NTA and DHS' evidence in Mr. (b)(6);(b) case. I am sorry to bother you about this, but EOIR has yet to get back to me regarding my ROP request.

Also, I write to ask whether DHS will take a position on my request for an adjournment at our next master on 1/31/17. I will be prepared to take pleadings, but am going to ask for another master due to the fact that I have several FOIA requests pending - two with the DOS and two with USCIS. I believe the information contained in the responses to those requests will be helpful for our inquiry into Mr. (b)(6);(b) US citizenship.

I want to thank you for your regular communication with me over these past few weeks. I sincerely appreciate it. Lastly, know that I will be at Varick street today starting around noon. I have a 1pm Individual with (b)(6);(b)(7) Therefore, if it is easier for you, I can swing by the window to pick up the NTA/evidence; just let me know.

Sincerely,

(b)(6);(b)(7)(C)

I recognize that it is my burden to demonstrate the above. I am doing my best to gather the necessary documents; I hope you can appreciate that it is difficult to do so.

In the meantime, I respectfully renew my request for the NTA and evidence submission. I fear waiting to get a time/date from Varick to review the ROP will cause unnecessarily delay.

Thank you in advance.
