2	Q. And I think that brings up one of the
3	situational rules. Your attorney's going to object, and
4	unless she instructs you not to answer, and assuming you
5	heed her advice, the expectation is that you answer my
6	questions; okay?
7	So the way it'll go is I'll ask a question,

10	A. Okay.
11	Q do you understand?
12	A. Yes.
13	Q. Okay. That brings up another situational rule.
14	It's important that we speak one at a time. We've got a
15	court reporter here that's taking down everything that we
16	say, and the transcript is just really muddled and messy if
17	we're talking all over one another. So I will do my best
18	to let you finish your answer before I ask the next
19	question, will you let me finish my question before you
20	begin your answer?
21	A. Yes.
22	Q. All right. What did you do to prepare for your
23	deposition today?
24	A. I showed up here, and talked to Ms. Mell.

5	A. Correct. Mm-hm.
6	Q. Did you and Mr. Tracy discuss the case or the

8	A. No.
9	Q. What did you guys talk about?
10	MS. MELL: Object to the form.
11	A. We were talking about a work assignment we were

13	Q. Did you speak with your captain, or assistant

16	Q. Who?
17	A. The assistant facility administrator, Scott.
18	Q. Bruce Scott?
19	A. Bruce Scott.
20	Q. When did you speak with Mr. Scott?
21	A. I saw him at the facility earlier today.
22	Q. And what did you discuss as it relates to this

24	A. Just that we needed to come here and testify at

10	A. I falsified a count slip.
11	I believe it was five or six years ago.
12	Q. Explain that for me.
13	First off, what is a count slip?
14	A. We do a formal facility count several times a
15	day. The policy is you have to have two people present to
16	count at the same time. On my my instance, I I
17	had I counted by myself, and then another person came in
18	and counted. I turned that in as a as the count slip.
19	Because we both weren't present at the same time, it was a
20	violation of policy.
21	Q. Now, was this did you self-report that there
22	had been a violation, or did someone else detect this?
23	A. No, a supervisor noticed it.

1		Do you see that?
2	Α.	Yes.
3	Q.	Have you seen this document before?
4	Α.	I'm sure I have, but not specifically that I
5	recall.	
6	Q.	Well, let's take a look at the bottom of the
7	first page	there. And at the bottom there it's it's
8	heading IV	B, it says Work Assignment.
9		Do you see that?
10	Α.	Yes.
11	Q.	And then on the first page and extending onto
12	the second	page, it lists off five broad categories of
13	detainee w	ork.
14		Do you see that?
15	Α.	Yes.
16	Q.	The list includes Kitchen Worker,
17	Recreation	/Barber, Living area, Evening workers, and
18	Laundry.	
19		Did I read that correctly?
20	A.	Yes.
21	Q.	Now, big picture, are there any other big
22	categories	of work that you would add to this list that the
23	detainee w	orkers perform?
24		MS. MELL: Object to the form of the question.
25	A.	I don't understand your question.

1	Q. Well, the work that they perform, I mean, you
2	know, there are many job titles, but you can agree or
3	disagree with me, but it it would seem to me that they
4	can be roughly grouped into one of the five buckets that's
5	identified here on Exhibit-313. So
6	MS. MELL: So object
7	A. Okay, yeah, so
8	MS. MELL: Object to the form of that question,
9	if it was a question.
10	Q. Would you agree that these appear to be broad
11	buckets of work that the detainee workers perform?
12	MS. MELL: Object to the form.
13	A. I agree to that.
14	Q. So my follow-up question is, would you add any
15	other big bucket of work to this list?
16	MS. MELL: Object to the form.
17	A. Well, that's what I don't understand. Like big
18	bucket, are you trying to imply there's a whole different
19	category that's not listed, or all the jobs would fall
20	under one of these five categories?
21	Q. No, there there's no trick or implication,
22	I'm just trying to, you know, learn if you think there's
23	another category of work that that we're missing, that's
24	all.
25	MS. MELL: Object to the form.

1	Is that a question?
2	Is that a question?
3	Q. So, with that clarification, do you believe
4	there's another broad category of work or categories of
5	work that should be added to this list?
6	A. No.
7	Q. All right. Well, I want to work down this list
8	and talk about what you did with respect to directing and
9	supervising the detainee work.
10	So let's take kitchen worker; did you ever
11	direct or supervise detainee work in the kitchen?
12	A. No directly.
13	Q. What about indirectly?
14	A. As a shift supervisor, yes.
15	Q. Now, I understood you to say that you were a
16	lieutenant and a detention supervisor; you were a shift
17	supervisor as well?
18	A. As a lieutenant is what I meant to say.
19	Q. Got it.
20	All right, so tell me about how you indirectly
21	directed and supervised detainee work as a lieutenant/shift
22	supervisor.
23	A. As a lieutenant, I would assist with movements
24	to and from the kitchen. And then sometimes if the kitchen
25	thought there was something missing, we would review video,

2	thefts that possibly took place inside the kitchen. And
3	then we would also assist with pat-down searches.
4	Q. Anything else?
5	A. Not that I can think of.
б	Q. So assisting with movements, that's directing
7	the detainee workers to report to the kitchen?
8	A. From their housing units to the kitchen, and
9	then back when they're finished.
10	Q. And then the other category, you said something
11	missing, assaults, thefts, fights; that's essentially
12	misconduct in the kitchen?
13	A. Yes.
14	Q. And then the final thing, pat-downs, that's
15	more, I guess, part of your security function; would you
16	agree?

2	and supervi	sing detainee work in the	kitchen, and you told
3	me that it	was largely indirect; is	that
4	Α.	Yes.	
5	Q.	All right, well let's tal	k about the next
6	category he	re, recreation and barber	. Can you tell me all
7	the ways, i	f any, in which you've di	rected or supervised

9	Α.	As it relates to recreati	on and barber, just
10	facilitatin	g the movements, again, t	o the barbershop or to
11	the recreat	ion yard, and that's it.	
12	Q.	That's for barber?	
13	Α.	That's for both.	
14	Q.	For both, okay.	
15		And is this both as a det	ention officer and as a
16	lieutenant?		
17	Α.	That was as a lieutenant.	
18		As an officer, I've been :	posted in the
19	recreation	yard.	
20	Q. (Tell me about your work i	n directing and
21	supervising	the detainee work in the	recreation yard as an
22	officer.		
23	A.	Just make sure that, you	know, they have the
24	tools they	need to clean, and trash	bags pretty much, and
25	that they d	o the job satisfactorily,	and maintain

2	Q. M	Making sure they have the t	cools to clean, that's

5	A. Y	les.	
6	Q. A	and that includes providing	g trash bags?
7	A. Y	Zes.	
8	Q. A	and of course you're direct	ing the detainee
9	workers to c	clean the recreation yard a	as opposed to
10	somewhere el	se in the facility?	
11	M	IS. MELL: Object to the fo	orm of the question.
12	A. N	Not necessarily. If if	they're new, then we
13	do have to g	give some guidance. If the	ey've been doing it
14	for a while,	it's pretty much self-suf	ficient or
15	self-driven.		
16	Q. T	Cell me about the guidance	you provide to the
17	new workers	on the recreation yard.	
18	A. T	There's a a paper with a	a job description, and
19	for the new	ones, we just kind of go o	over what the job
20		is, what what's there t	
21	make sure th	ney understand this is what	the job entails.
22	Q. I	In this way then you're tel	lling them what their

2	Q. Now, do the detainee workers in the recreation
3	yard have discretion to deviate from the rules,
4	regulations, or guidance, however you want to characterize
5	it, that you're you're giving to them?
6	A. I mean, they can they can deviate if they
7	want.
8	Q. But there are potentially consequences though if
9	they deviate; is that right?
10	A. Yes.
11	Q. Anything else as it relates to your direction
12	and supervision of detainee workers in the recreation yard?
13	A. No.
14	Q. And now living area and evening workers, I don't
15	know if we should tackle those separately or together, but
16	can you tell me what you've done to direct or supervise
17	detainee workers with respect to living area and evening
18	workers?
19	A. So as a lieutenant for the living area, it's
20	been mostly indirect, just making sure that the units are
21	clean and sanitary. Since laundry is listed under living
22	area, we do indirectly assist the laundry, similar to the
23	kitchen, you know, with movements or investigations for
24	theft or and other types of misconduct.
25	And then with regards to the evening workers,

2	know, if they're the general cleanliness of whatever
3	they're working on, and also like if there's waxing details
4	or stripping the floors.
5	As an officer, I've been directly involved with
6	the living areas, or supervising the cleaning of the
7	workers in the living areas, you know, cleaning up after
8	meals, the servers, going to pick up the meals, and
9	distributing the meals, cleaning up after meals, cleaning
10	up in general.
11	Again, there's a worker job description sheet
12	that explains kind of, you know, different stuff happens at
13	different times during the day, day cleaners, evening
14	cleaners, graveyard cleaners, or night cleaners. For
15	example, they clean the showers at the end of the day when
16	the showers are all done being used.
17	And then as a as an officer supervising the
18	evening workers, just being, you know, posted to observe,
19	make sure they're okay, there's no security violations, and
20	also assist them with any supplies they may need or tools.
21	Q. So this sounds like more hands-on supervision
22	and direction on your part?
23	A. As an officer, yes.
24	Q. And is that one of the main distinctions between
25	being a shift supervisor and an officer?
25	being a shift supervisor and an officer?

2 ICE is the overall authority. So they mandate Α. how the program functions, and approve any program updates, 3 4 and they also manage or authorize, you know, job hiring. 5 Sometimes there's worker disputes, like if someone gets 6 fired, you know, they can appeal to ICE, and ICE will say this person gets to work again or -- or not. 7

All right, well maybe we'll take it one at a 8 Q. 9 time then for each of the categories here.

10 So kitchen worker, can you tell me about the 11 ways of which you're aware that ICE provides direction or 12 supervision to kitchen detainee workers?

13 I mean, like I said, ICE mandates how many Α. 14 kitchen workers, I believe, work each shift, the maximum 15 number, and then ICE, in coordination with the medical 16 department, they have to be authorized by medical to work in the kitchen. 17

What makes you believe that ICE mandates the 18 Ο. 19 number of kitchen workers?

20 Α. I believe that's something I was told before. 21 Who? Who told you that? Ο. I believe it was someone in classification 22 Α.

2	A. I don't understand the question.	
3	Q. Well, I understand from my deposition of Mr.	
4	Delacruz that there are a number of GEO personnel in the	
5	kitchen. My question to you is, do you know whether or not	
б	there is ICE personnel stationed inside the kitchen?	
7	A. Yeah, it's the station part. I mean, I know ICE	
8	visits the kitchen, but I I don't believe they're	
9	stationed there.	
10	Q. And when you say visits, what do you mean?	
11	A. There's a Detention Standards Manager Howard.	
12	He visits the kitchen to ensure compliance with the	
13	Performance-Based National Detention Standards.	
14	Q. Do you know how often Howard makes his rounds in	
15	the kitchen?	
16	A. I do not, no.	
17	Q. And do you know whether or not Howard, in his	
18	role, is it limited to just the kitchen, or is it	
19	facilitywide?	
20	A. It's the whole facility.	
21	Q. And I'm sorry, Howard's title again was?	
22	A. Is the DSM, it's an acronym for detention	
23	standards manager, I believe.	
24	Q. And it's your belief that he is an ICE employee?	
25	A. Yes.

1	Q. Okay. How many detention standards managers

3	A. One.
4	Q. Big picture, how many ICE personnel are
5	stationed at the Northwest Detention Center?
6	MS. MELL: Object to the form.
7	A. I don't know.
8	Q. If you had to guess?
9	MS. MELL: No, don't guess.
10	Q. I'm looking for a ballpark.
11	Is it more than five?
12	A. I would imagine so, but I don't know for sure.
13	Q. Well, in your ten years of experience there,
14	both as a detention officer and as a lieutenant, can you
15	tell me the names of other ICE personnel that have been
16	stationed at the Northwest Detention Center?
17	A. Yes.
18	Q. Who?
19	A. Arroyo oh, man, on the spot here, let's
20	see Renner, Rukhstruhl, Muirhead. I mean, there's more,
21	I'm just I can't recall offhand.
22	Q. And where within the facility let me back up.
23	The people that you just named, do they have
24	offices within the facility?

Q. Are they clustered together, or are they
sprinkled throughout?
A. They're all together.
Q. Where?
A. It's on the second floor of the administration
building.
Q. Is that the only location?
A. At the Northwest Detention Center, yes.
Q. And the five people total that you mentioned,
and I understand that you said there may be more, are they
all currently employed, or are you just thinking about the
span of your ten-year career with GEO?
A. I believe they're currently employed.
Q. And of the names that you mentioned, I'm sorry,
was it Howard, is that the first name or last name for the
detention standards manager?
A. That's the last name.
Q. All right, so the detention standards manager
you mentioned is someone that you believe is responsible
for ensuring that GEO's in compliance with the PBNDS. Do
you have any insights or understandings about the roles of
the other people that you named?
A. I believe some of them are like deportation
officers or supervisory deportation officers.
Q. Do you have any other insights into what their

No. And so it sounds like Detention Standards 3 Ο. 4 Manager Howard is different than the other four that you 5 mentioned by name, is that fair to say, in terms of his б role at the facility? 7 Α. Yes. 8 Ο. Okay. And then on Detention Standards Manager 9 Howard's visits to the kitchen, you believe that he may offer direction and supervision to the detention -- or to 10 the detainees? 11 12 Α. No. Is there anything else that you can think of in 13 0. 14 terms of ICE's involvement with the supervision and direction of detainee workers in the kitchen? 15 16 Α. No. 17 Ο. Now, we can do the same thing for the other categories, recreation/barber, living area, evening 18 19 workers, laundry, in terms of ICE's involvement, but before 20 we do that, my question to you is, would your answer be any different than what you've just described to me about ICE's 21 involvement in the kitchen? 2.2 23 No, it -- it would be the same. DSM Howard's in Α. 24 charge of, you know, the whole building, so responsibilities for all the areas, including these, and 25

2	Q. So how often would or are ICE personnel in

12	MS. MELL: Object to the form of the question,

2	A. We don't receive it all together like this. You
3	receive it for each individual area. So if I was in like
4	A-1, for example, as the top page, I would have this
5	document. If I was in A-2, I would have this one. It's

20	larger pod, it has 15 pod porter who are cleaners, whereas
21	A-2 is a smaller one, and they only have 13.

9	Q. In that last column, what is that, the "Need to

18	Q. An	d the IDP proceedings, IC	CE is a part of it?
19	A. Cc	rrect.	
20	Q. As	a detention officer, do	you take attendance

2	A. I wo	uld yeah, I would use	the worker pay
3	sheet in accord	ance with the the rost	er, the detainee
4	work roster, or	pod porter list, whateve	r you want to call
5	it.		
б	Q. I de	posed Mr. Delacruz from t	he kitchen, and he
7	told me that in	the kitchen, there are f	our shifts, there's
8	a morning, ther	e's a lunch, there's a di	nner, and there's
9	an evening or n	ighttime cleanup crew; ar	e there shifts like
10	that for other	detainee jobs within the	facility?
11	A. Yes.		
12	Q. Can	you tell me what those sh	ifts are.
13	A. Laun	dry has a day shift and a	swing shift. I
14	think the outsi	de rec has day shift clea	ners and nighttime
15	cleaners. And	then in the units, like w	e read, you know,
16	there's like a	shower cleaner, there's a	day shift cleaner,
17	a swing shift c	leaner. So within the un	its there's
18	individual shif	ts as well.	
19	Q. And	if I wanted to know how m	any people were
20	assigned to any	given shift, I'd look at	the the roster
21	that we looked	at earlier, an example of	which is
22	Exhibit-309?		
23	A. Yes.

1	A. It	just depends.	
2	Q. Ca	n you give me a range?	
3	A. No	t really. I mean, it jus	st depends on how
4	quickly and s	atisfactorily they do the	eir jobs. Some jobs
5	last longer.		
6	So	, for example, the food p	porters, right, they
7	have to go pi	ck up the trays, they bri	ing them to the unit,
8	and then ICE	mandates that the trays h	have to be in the unit
9	for 20 minute	s. So it's going to at l	least be, you know,
10	30, 35 minute	s, and they clean up afte	erwards, and they do
11	that three ti	mes a day.	
12	Th	e shower cleaners, if the	e unit's larger, you
13	know, there's	more showers, it's going	g to take longer to
14	clean all tho	se showers. If it's a sm	maller unit, there
15	will be less	showers, they can clean i	it quicker.
16	Sa	me with the generic porte	er, sweeping the
17	floors; the b	igger the unit, the more	it's going to take
18	than if it's	a small unit.	
19	Q. Th	is Exhibit-309, the schee	dule that we were
20	looking at, w	ho creates this, do you k	know?
21	A. I	believe it comes from cla	assification.
22	Q. So	this is Ms. Singleton or	Mr. Heye perhaps?
23	A. Ye	eah.	
24	Q. An	d I notice on many of the	e details there's a

5	THE COURT REPORTER: This is Exhibit-318.
6	Q. You've just been handed Exhibit-318.
7	What are we looking at here?
8	A. It's an email from me to the kitchen kitchen
9	manager. I'm not sure what her official title is. She's
10	the head of the kitchen.
11	I've also cc'd classification, Singleton, and
12	Lieutenant Snyder, regarding some thefts from the kitchen.
13	Q. Now, how were the thefts in the kitchen caught?
14	A. I'm just reading the email.
15	I don't specifically remember, and I didn't say
16	how.
17	Q. In the middle there you write "Investigations
18	have been conducted on all these incidents."
19	A. Mm-hm.
20	Q. Can you tell me about the investigation?
21	A. Specifically to these? I don't remember.
22	Q. Well, who would have conducted the

2	would have been an officer.
3	Q. Was this a part of a UDC proceeding?
4	MS. MELL: Object to the form.
5	A. It would have yeah, it would have yes.
6	Q. While you were a lieutenant, did you preside or

8	A. Yes.
9	Q. And part of that job was conducting
10	investigations?
11	MS. MELL: Object to the form of the question.
12	Q. What did that job entail?
13	MS. MELL: What job?
14	Object to the form of the question.
15	A. As the UDC lieutenant, I wouldn't be doing any
16	investigations. I would conduct a hearing, and I would
17	review the investigation that was done and forwarded to me
18	as the UDC hearing officer. I would make a recommendation
19	for sanctions or find them guilty or not guilty.
20	Q. So while you were the UDC officer, is it the
21	case then that the detention officers were conducting the

23	A. No.
24	Q. Tell me how it worked.
25	A. So the shift supervisors would conduct the

2	So it appears, based on this email, that either
3	myself or Lieutenant Snyder were conducting the
4	investigation. We make a packet, you know, try and get
5	statements from the detainees. It's their right not to say
6	anything; sometimes they don't say anything, sometimes they
7	do. Review video, other witnesses, staff. Take all that,
8	put that into a packet, you know, put it all together.
9	There's an investigation form we fill out, you know, what
10	happened, make a recommendation, and that goes on either to
11	the UDC or to the IDP.
12	The UDC hearing officer will get that, review it
13	all, they can agree with the recommendation, change it,
14	find you guilty, not guilty, and then recommend sanctions.
15	Q. And that's what's happening here in
16	Exhibit-13 I'm sorry, Exhibit-318?
17	A. Right, this is an email, which would be part of
18	my investigation, letting the kitchen officer know about
19	the theft.
20	Q. And in this case, your ultimate determination
21	was that those detainee workers would lose their jobs in
22	the kitchen and laundry?
23	A. That was my recommendation.
24	Q. Who are you making your recommendation to?
25	A. The kitchen manager.

6	Q. Yeah, no, I'm sorry, I'm not trying to twist you
7	up, I'm just trying to understand the process here.
8	I mean, you told me about the investigation
9	that's done, there's a packet, and then I thought I
10	understood you to say that a UDC officer makes a
11	determination whether discipline or sanctions are
12	warranted; did I get that right?
13	A. Yeah.
14	I believe there was a change, and I don't know
15	if it was when the ICE PBNDS was updated, but it used to
16	be, it appears several years ago, that the kitchen manager
17	is the only one who could fire people from the kitchen, or
18	maybe because I was I was misinformed as an acting
19	lieutenant at the time, that's why I sent the email.
20	I believe, yeah, now the UDC hearing officer can
21	recommend firing a person from their job.
22	Q. And that recommendation goes to whoever the
23	supervising officer is; is that right?
24	A. Yeah.
