JOINT STATUS REPORT

Per the court's September 7, 2022 minute entry (Dkt. 46), the parties in this Freedom of Information Act case jointly submit this status report.

1. Since the parties' August 29 status report (Dkt. 44), ICE has issued two additional productions, bringing the total number of productions to 22.
2. The court has ordered ICE to increase its processing rate to 700 pages per month beginning with ICE's November production.

3. The parties suggest that they file another status report on January 31, 2022, at which point the parties should have a realistic sense of when the production will be complete.

Respectfully submitted,

JOHN R. LAUSCH, Jr.
United States Attorney
