**EOIR’S LR 56.1 STATEMENT OF
MATERIAL FACTS IN SUPPORT OF SUMMARY JUDGMENT**

Defendant Executive Office of Immigration Review, by Morris Pasqual, United States Attorney for the Northern District of Illinois, submits the following statement of material facts as to which there is no genuine issue pursuant to Local Rule 56.1 of the United States District Court for the Northern District of Illinois.

Jurisdiction and Venue

1. This is an action brought under the Freedom of Information Act (FOIA), and the court has subject matter jurisdiction under 5 U.S.C. § 552 and 28 U.S.C. § 1331. Answer ¶ 3.
2. Venue is proper in this district because plaintiff Jacqueline Stevens resides in this district. Answer ¶ 4.

Parties

3. Plaintiff Jacqueline Stevens is a professor at Northwestern University. Answer ¶ 5.
4. Defendant Executive Office of Immigration Review, or EOIR, is a component of the federal government from whom Stevens has sought information via FOIA. Answer ¶¶ 18, 75.

EOIR's FOIA Program

5. EOIR is responsible for conducting immigration court proceedings, appellate reviews, and administrative hearings. Ex. A (Santiago Decl.) ¶ 5.

6. EOIR consists of three components: (1) the Office of the Chief Immigration Judge, which is responsible for managing the numerous immigration courts throughout the United States, where immigration judges adjudicate individual cases; (2) the Board of Immigration Appeals, which primarily conducts appellate reviews of immigration judges' decisions; and (3) the Office of the Chief Administrative Hearing Officer, which adjudicates immigration-related employment cases. Ex. A (Santiago Decl.) ¶ 5.

7. When EOIR's FOIA office receives a request for a record of immigration proceedings, the office generally designates the request as a "Simple Request (Track 2)." Ex. A (Santiago Decl.) ¶ 7. (An "expedited" request for such a record would be designated as "Track 1" and would move to the front of the Track 2 queue. *Id.*)

8. When EOIR's FOIA office receives a request for a record of immigration proceedings, office personnel identify the record's location by entering the "alien" registration number, or A number, the person at issue's name, or both into a database called "Case Access System for EOIR," also known as CASE. Ex. A (Santiago Decl.) ¶ 8.

9. CASE is the electronic case manager for EOIR's immigration courts, Board of Immigration Appeals, and staff. Ex. A (Santiago Decl.) ¶ 8.

10. Once located, if the record of proceedings is a hard-copy file, it must be individually ordered from: (1) one or more of the 15 National Archives Record Center's Federal Records Centers, which are long-term storage facilities located throughout the United States; (2) one of 72

immigration courts or immigration adjudication centers; or (3) EOIR headquarters, if the record resides with the Board of Immigration Appeals. Ex. A (Santiago Decl.) ¶ 9.

11. The immigration courts and the Board of Immigration Appeals are the record custodians of records of proceedings and are responsible for providing the records to EOIR's FOIA office, regardless of whether the record is physically located with the immigration courts or Board of Immigration Appeals or has been sent to a Federal Records Center. Ex. A (Santiago Decl.) ¶ 9.

12. Occasionally, EOIR can request a scanned copy of a record of proceedings from EOIR's off-site contractor if the record was previously scanned. Ex. A (Santiago Decl.) ¶ 9.

13. Once EOIR's FOIA office receives the record of proceedings, the office sends the record to an off-site contractor for scanning. Ex. A (Santiago Decl.) ¶ 10.

14. EOIR instituted off-site contractor scanning in response to the huge volume of FOIA requests that EOIR receives each year, as EOIR receives more FOIA requests each year than all other Department of Justice components combined. Ex. A (Santiago Decl.) ¶ 10.

15. Assuming the requester has provided a proper certificate of identity, EOIR sends the entire contents of the record of proceedings to the requester unredacted. Ex. A (Santiago Decl.) ¶ 10.

16. An exception to the process described above pertains to digital audio recordings of an immigration proceeding. Ex. A (Santiago Decl.) ¶ 1. If such a recording is available, it resides in CASE and is accessible electronically. *Id.* (If the hearing was held at a time when cassette tapes were used to record hearings, then the tape would be located within the hard-copy record. *Id.*)

17. If a record of proceedings exists electronically in CASE, then an attorney of record or accredited representative can access the record by logging into the online portal. Ex. A (Santiago Decl.) ¶ 12.

18. Due to the large volume of incoming records, significant delays can occur between the time the record is received by EOIR's FOIA office and the time it is sent to the requester. Ex. A (Santiago Decl.) ¶ 13.

19. EOIR's FOIA office generally handles records of proceedings on a "first-in, first-out" basis, unless the request has been granted expedited processing, and requests that have been granted expedited processing are handled on a "first-in, first-out" basis along with the other requests that have been granted expedited processing. Ex. A (Santiago Decl.) ¶ 13.

20. Requests for records of proceedings comprise over 95% of the FOIA requests that EOIR receives. Ex. A (Santiago Decl.) ¶ 14.

21. In Fiscal Year 2018, EOIR received 52,432 FOIA requests and had a backlog of 2,403 requests. Ex. A (Santiago Decl.) ¶ 14. In FY 2019, EOIR received 55,499 requests and had a backlog of 9,155 requests. *Id.* In FY 2020, EOIR received 48,885 FOIA requests and had a backlog of 10,923 requests. *Id.* In FY 2021, EOIR received 60,996 FOIA requests and had a backlog of 29,735 requests. *Id.* In FY 2022, EOIR received 56,544 FOIA requests and had a backlog of 47,070 requests. *Id.*

July 2020 Rubin Request

22. On July 8, 2020, Stevens submitted a FOIA request to EOIR seeking "all documents released to Joel Rubin for FOIA case no 2017-22261, Statistics." Ex. A (Santiago Decl.) ¶ 16.

23. EOIR sent Stevens an acknowledgement letter on July 15, 2020. Ex. A (Santiago Decl.) ¶ 17.

24. On July 23, 2020, EOIR sent Stevens a final response letter and produced the six pages that had been released in FOIA case number 2017-22261. Ex. A (Santiago Decl.) ¶ 18.

June 2021 Silvestre Request

25. On June 22, 2021, Stevens submitted a FOIA request to EOIR seeking “all system records and other items maintained, produced, or distributed by EOIR pertaining to Miguel Silvestre. His ‘alien number’ is 077-166-008. He was born in Sacramento, on [here Stevens provided Silvestre’s birth date]. This request includes but is not limited to all memoranda, notes, reports, email messages, and all other system records or communications associated with or pertaining to Mr. Silvestre generated or received by EOIR. This also includes the record of proceedings for his immigration hearing(s), as well as any digital or audio recordings of prior hearing(s). Please include ALL calendar and case note records maintained by any EOIR digital systems, including screen shots of databases from which information on Mr. Silvestre is stored. The time frame for this request is 1/1/1996 to present.” Ex. A (Santiago Decl.) ¶ 19.

26. EOIR interpreted the request to be a request for Silvestre’s record of proceedings and sent Stevens an acknowledgement letter on July 2, 2021. Ex. A (Santiago Decl.) ¶¶ 20-21.

27. Because Miguel Silvestre had had two immigration proceedings—one with an immigration court in Florence, and another with an immigration court in Phoenix—EOIR’s FOIA office requested the records of proceedings from both courts. Ex. A (Santiago Decl.) ¶ 23.

28. EOIR’s FOIA office received the first record of proceedings on September 2, 2021, and the office received the second record of proceedings on September 20, 2022. Ex. A (Santiago Decl.) ¶¶ 24-25.

29. EOIR’s FOIA office sent both records of proceedings offsite to be scanned, and on October 24, 2022, EOIR sent Stevens a final response letter releasing both records of proceedings, consisting of 24 pages each. Ex. A (Santiago Decl.) ¶¶ 24-26.

August 2021 Archie Request

30. On August 16, 2021, Stevens submitted a FOIA request to EOIR seeking “all system records and other items maintained, produced, or distributed by EOIR on Christopher Archie, A#018-658-496, DOB [here Stevens provided Archie’s birth date]. This includes the record of proceeding for hearing(s), the case management interface outputs, as well as digital or audio recordings of hearing(s) and any email or other communications about his case. The time frame of this request is 1980 to present.” Ex. A (Santiago Decl.) ¶ 27.

31. EOIR interpreted the request to be a request for Archie’s record of proceedings and sent Stevens an acknowledgement letter on September 1, 2021. Ex. A (Santiago Decl.) ¶¶ 28-29.

32. EOIR’s FOIA office requested the record of proceedings from the immigration court in Miami on September 7, 2021. Ex. A (Santiago Decl.) ¶ 30.

33. EOIR’s FOIA office received the record of proceedings on December 17, 2021. Ex. A (Santiago Decl.) ¶ 33.

34. EOIR’s FOIA office sent the record of proceedings offsite to be scanned on October 4, 2022. Ex. A (Santiago Decl.) ¶ 33.

35. EOIR issued a final response on October 13, 2022, releasing the record of proceedings, which consisted of 54 pages and two audio files. Ex. A (Santiago Decl.) ¶ 34.

March 2022 Hoang Request

36. On March 10, 2022, Stevens submitted a FOIA request to EOIR seeking “all system records and other items maintained, produced, or distributed by EOIR pertaining to Toan Hoang. His ‘alien number’ is 025-105-060. He was born in Vietnam on [here Stevens provided Hoang’s birth date]. This request includes but is not limited to all memoranda, notes, reports, email messages, and all other system records or communications associated with or pertaining to Mr.

Hoang generated or received by EOIR. This also includes the record of proceedings for his immigration hearing(s), as well as any digital or audio recordings of prior hearing(s). Please include ALL calendar and case note records maintained by any EOIR digital systems. The time frame of this request is January 1, 1995 to the present.” Ex. A (Santiago Decl.) ¶ 35.

37. EOIR interpreted the request to be a request for Hoang’s record of proceedings and sent Stevens an acknowledgement letter on March 10, 2022. Ex. A (Santiago Decl.) ¶¶ 36-37.

38. The record of proceedings for Hoang had previously been the subject of a FOIA request that EOIR had received on November 12, 2021. Ex. A (Santiago Decl.) ¶ 38.

39. In response to that earlier FOIA request, EOIR’s FOIA office had requested the record of proceedings for Hoang on December 6, 2021, and the office had received it on January 10, 2022, and had sent it offsite to be scanned. Ex. A (Santiago Decl.) ¶ 39.

40. EOIR sent Stevens a final response on October 28, 2022, releasing the record of proceedings, which consisted of 38 pages and one audio file. Ex. A (Santiago Decl.) ¶ 40.

August 2022 Charpentier Request

41. On August 18, 2022, Stevens submitted a FOIA request to EOIR seeking “All system records and other items maintained, produced, or distributed by EOIR pertaining to Pascal Charpentier, including but not limited to the Record of Proceedings, including all audio recordings. His date of birth is [here Stevens provided Charpentier’s birth date]. His country of birth is Germany but ICE has stated in error it is Haiti. His ‘alien’ number was 029001711, and in 2016 he was given this number: 020578103. This request includes but is not limited to all memoranda, notes, reports, email messages, and all other system records or communications associated with or pertaining to Mr. Charpentier generated or received by EOIR. Please include ALL calendar and

case note records maintained by any EOIR digital systems. The time frame for this request is January 1, 1972 to August 18, 2022.” Ex. A (Santiago Decl.) ¶ 41.

42. Stevens requested expedited processing. Ex. A (Santiago Decl.) ¶ 42.

43. EOIR interpreted the request to be a request for Charpentier’s record of proceedings, sent Stevens an acknowledgement letter on October 6, 2022, and granted Stevens’s request for expedited processing. Ex. A (Santiago Decl.) ¶¶ 43-45.

44. EOIR sent Stevens an interim response on October 11, 2022, providing access to twelve responsive audio recordings. Ex. A (Santiago Decl.) ¶ 47.

45. Because Charpentier’s immigration case had been appealed to the Board of Immigration Appeals on September 2, 2022, the Board had already scanned the report of proceedings. Ex. A (Santiago Decl.) ¶ 46.

46. On October 18, 2022, EOIR requested a copy of Charpentier’s electronic file from Pacific Architect and Engineers, which is the company that does off-site scanning of reports of proceedings. Ex. A (Santiago Decl.) ¶ 46.

47. Pacific Architect and Engineers sent the electronic file to EOIR on October 19, 2022, and on that same day EOIR sent Stevens a final response releasing the records, which consisted of 2,060 pages. Ex. A (Santiago Decl.) ¶¶ 46, 48.

Miscellaneous

48. EOIR did not redact any records or withhold any records from production, for any of the FOIA requests discussed above. Ex. A (Santiago Decl.) ¶ 49.

49. Producing screenshots would require EOIR to create new records. Ex. A (Santiago Decl.) ¶ 50.

**DECLARATION OF JENIFFER PEREZ SANTIAGO, EXECUTIVE OFFICE
FOR IMMIGRATION REVIEW**

I. INTRODUCTION

I, Jeniffer Perez Santiago, pursuant to 28 U.S.C. § 1746, hereby declare as follows:

1. I am an Associate General Counsel for FOIA and Acting Senior FOIA Litigation Counsel under the Office of the General Counsel (OGC) at the Executive Office for Immigration Review (EOIR). I have held this position for approximately eighteen months. As needed acts as the Acting Supervisor for the FOIA Unit. Prior to this position, I was a Senior FOIA Analyst for the Consumer Financial Protection Bureau (CFPB) in which I conducted quality control reviews for all FOIA requests. In addition, I trained the FOIA team, stakeholders and senior CFPB personnel on FOIA related

matters. I held the position from March 2020 through October 2021. Before, I was a Senior FOIA Analyst for the Department of Energy where I processed complex FOIA requests, appeals and litigation. I held the position from May 2019 through March 2020.

2. The EOIR FOIA Unit is responsible for executing EOIR's FOIA Program pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, and the Privacy Act ("PA"), 5 U.S.C. § 552a. The EOIR FOIA Unit is comprised of a FOIA Service Center and a separate group of FOIA Attorney Advisors with support staff.
3. In my role as an Associate General Counsel for FOIA my official duties and responsibilities include creating and implementing policy and procedures for the EOIR FOIA Program, conducting FOIA training for EOIR personnel, processing FOIA requests and providing litigation support defending the agency in FOIA litigation matters and appeals. In connection with my official duties, I am familiar with EOIR's procedures for responding to requests for information pursuant to provisions of the FOIA and the Privacy Act. In that respect, I am familiar with the FOIA requests made by Plaintiff dated July 8, 2020, and assigned FOIA control number FOIA 2020-60017 ("FOIA Request 2020-60017"); dated June 22, 2021, and assigned FOIA control number FOIA 2021-41956 ("FOIA Request 2021-41956"); dated August 16, 2021, and assigned FOIA control number FOIA 2021-52588 ("FOIA Request 2021-52588"); dated March 10, 2022, and assigned FOIA control number FOIA 2022-27937 ("FOIA Request 2022-27937"); dated August 18, 2022, and assigned FOIA control number FOIA 2022-52897 ("FOIA Request 2022-52897"); The statements contained in this declaration are based upon my personal knowledge, my review of records kept by EOIR in the ordinary course

of business, and information provided to me by other EOIR employees in the course of my official duties.

4. The Executive Office for Immigration Review (EOIR) was created on January 9, 1983. EOIR consists of the Office of the Director, the Board of Immigration Appeals (Board), the Office of the Chief Immigration Judge (OCIJ), and the Office of the Chief Administrative Hearing Officer (OCAHO). EOIR is independent of the immigration enforcement functions of both the Department of Homeland Security (DHS) and the Office of Special Counsel for Immigration-Related Unfair Employment Practices, the entity charged with the enforcement of the anti-discrimination provisions of immigration law.
5. EOIR is responsible for adjudicating immigration cases. Specifically, under delegated authority from the Attorney General, EOIR interprets and administers federal immigration laws by conducting immigration court proceedings, appellate reviews, and administrative hearings. EOIR consists of three components: the Office of the Chief Immigration Judge, which is responsible for managing the numerous Immigration Courts located throughout the United States, where Immigration Judges adjudicate individual cases; the Board of Immigration Appeals, which primarily conducts appellate reviews of Immigration Judge decisions; and the Office of the Chief Administrative Hearing Officer, which adjudicates immigration-related employment cases. EOIR is committed to providing fair, expeditious, and uniform application of the nation's immigration laws in all cases.
6. The EOIR FOIA Unit is responsible for executing EOIR's FOIA Program pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the Privacy Act (PA), 5

U.S.C. § 552a.

II. DESCRIPTION OF EOIR'S FOIA PROGRAM

7. I am familiar with the present process for searching, retrieving, and fulfilling FOIA requests for a hard-copy EOIR Record of Proceedings ("ROP"). EOIR's FOIA Program maintains an "Expedited" (or Track 1) multi-track designation in which a request can either be Complex or Simple; however, Expedited requests have generally made up less than 20 requests per year over the last 5 years. In practice, "expedited" merely means that the request moves to the front of the queue in either the Complex track (Track 3) or the Simple track (Track 2). Requests for an individual ROP are generally designated by the EOIR FOIA Service Center as a Simple Request (Track 2), or other agency records, in which case it is designated as Complex (Track 3). Absent a request for expedited processing and as a matter of course, all requesters are notified that FOIA requests for ROPs involve "unusual circumstances," requiring EOIR to extend the time period to respond by an additional 10 working days (as opposed to 20 working days) because the requests require the collection of records in disparate offices. See 28 C.F.R. § 16.5(c). EOIR also provides contact information for the EOIR FOIA Service Center and the EOIR FOIA Public Liaison for any questions in addition to contact information for the Office of Government Information Services for mediation services. Additionally, on or around March 26, 2020, EOIR posted on its FOIA webpage, the following notice:

Due to the COVID-19 pandemic, EOIR has adjusted its normal operations to balance the needs of completing its mission as effectively and efficiently as possible while also adhering to the recommended social distancing for the safety of our staff. As a result, you may experience a delay in receiving an initial acknowledgment as well as a substantive response to your FOIA request. We will be able to acknowledge requests made electronically more quickly than by mail. You may reach out to our FOIA Offices and FOIA Public Liaison if you have any questions

about your request. We apologize for this inconvenience and appreciate your understanding and patience.

See <https://www.justice.gov/eoir/freedom-information-act-foia>.

8. When the EOIR FOIA Service Center receives a FOIA request for ROP, EOIR FOIA Service Center personnel enter the request into the EOIR FOIA database, and the database automatically assigns the request a unique FOIA control number. EOIR FOIA Service Center personnel identify the location of the ROP by entering the "alien" registration number ("A number") and/or Respondent's name, which is entered into EOIR's database called Case Access System for EOIR ("CASE"), the electronic case manager for the EOIR Immigration Courts, the Board of Immigration Appeals ("BIA"), and staff to support case management.
9. Once located in CASE and assuming the ROP is a hard-copy file, the ROP must be individually ordered or retrieved from: (1) one or more of the fifteen (15) National Archives Record Center ("NARA") Federal Records Centers ("FRC"), which are long-term storage facilities geographically located throughout the contiguous United States; (2) within the seventy two (72) Immigration Courts and/or Immigration Adjudication Centers geographically located throughout the United States and its territories; or (3) within EOIR Headquarters, if the ROP is with the BIA. Depending on the volume of cases processed, each Immigration Court and the BIA receive a daily, weekly or bi-weekly report, sent by electronic correspondence, of ROPs requested by the EOIR FOIA Service Center. The Immigration Courts and the BIA, who are the record custodians of ROPs, are responsible for providing the ROP to the EOIR FOIA Service Center whether it is physically located within that Immigration Court or the BIA, or whether it is located at the FRC associated

with that Immigration Court. On occasion, EOIR can request a scanned copy of a ROP from the EOIR's off-site contractor if the ROP was previously scanned for a different matter.

10. Once the hard-copy ROP is received at the EOIR FOIA Service Center at Headquarters in Falls Church, Virginia, the ROP is sent to an off-site contractor for scanning. Once scanned, the ROP is returned to the EOIR FOIA Service Center in Falls Church, Virginia, along with a scanned copy of the ROP on a compact disk (CD). EOIR instituted off-site copying by a contractor due the huge volume of ROP FOIA requests received each year; specifically, EOIR receives more FOIA requests each year than all other DOJ components combined. For example, in Fiscal Year 2021, EOIR received 60,996 FOIA requests. See <https://www.justice.gov/oip/reports-1> . Assuming the Respondent and/or the Respondent's representative provides a proper certificate of identify, the entire contents of the official ROP is sent to the requester unredacted. Once sent, the FOIA request is closed in the EOIR FOIA database.
11. An exception to accessing records pertaining to a hard-copy ROP is digital audio recordings (DARs) associated with a Respondent's immigration proceeding, which, if available, reside in CASE. These records are accessible electronically unless the hearing was held at a time when cassette tapes were used to record hearings, in which case such cassette tapes would be located within the hard-copy ROP.
12. A ROP may also exist either fully or partially as an electronic ROP ("eROP") within CASE. If so, the Attorney of Record or accredited representative for a Respondent may access the eROP by logging into the ECAS Case Portal at <https://portal.eroir.justice.gov> . See <https://www.justice.gov/eoir/ECAS> .
13. Due to the large volume of incoming records, there can be significant delays between the

time the ROP is received by the EOIR FOIA Service Center and the time the ROP is delivered to the requester. ROPs are generally handled on a “first-in, first-out” basis, assuming the request has not been granted expedited processing. However, even requests that have been granted expedited processing are handled on a “first-in, first out” basis along with other requests that have been granted expedited process.

14. Historically, Simple requests (i.e., requests for ROPs) comprise over 95% of FOIA requests received at the EOIR FOIA Service Center. In Fiscal Year (FY) 2018, EOIR received 52,432 FOIA requests and had a backlog of 2,403 requests. In FY2019, EOIR received 55,499 FOIA requests and had a backlog of 9,155 requests. In FY2020, EOIR received 48,885 FOIA requests and had a backlog of 10,923 requests. In FY2021, EOIR received 60,996 FOIA requests and had a backlog of 29,735 requests. For FY2022, EOIR received 56,544 FOIA requests and had a backlog of 47,070 requests. See <https://www.justice.gov/oip/reports-1> .
15. Beginning March 16, 2020, all EOIR personnel at the Falls Church, Virginia Headquarters location were directed to participate in maximum telework until further notice due to the global pandemic. Because most ROPs are hard copies, this limitation greatly affected the EOIR FOIA Service Center's ability to process FOIA requests for ROPs. Although EOIR FOIA Service Center personnel have been allowed to re-enter Headquarters on a limited basis, the ability to retrieve ROPs from one of the seventy two (72) Immigration Courts and/or Immigration Adjudication Centers, 15 FRCs or EOIR Headquarters was limited and constantly changing, and continues to be limited and constantly changing, due to local conditions pertaining to the pandemic as relates to staff shortages and the opening/closing/reopening of the Immigration Courts, FRCs, BIA, and EOIR Headquarters

due to COVID incident reporting.

III. PROCESSING OF PLAINTIFF'S FOIA REQUESTS

I have reviewed records for each of the five plaintiff's FOIA requests.

A. PLAINTIFF'S FOIA 2020-60017

16. I have reviewed Plaintiff's FOIA request filed on July 8, 2020, in its entirety, which generally sought:

*all documents released to **Joel Rubin** for FOIA case no 2017-22261, Statistics.*

17. Plaintiff's request was received the day it was filed and processed as a non-ROP complex (Track 3) request. On July 15, 2020, an acknowledgement letter was sent to Plaintiff by EOIR FOIA Service Center advising that Plaintiffs' request was assigned Control No. FOIA 2020-60017. The acknowledgment letter notified Plaintiff that the request involved "unusual circumstances" based on the likely need to consult with field offices and outside agencies to find and process the document. The acknowledgment letter offered the agency's FOIA Public Liaison and the mediation services of the Office of Government Information Services ("OGIS") to assist the requester.

18. On July 23, 2020, EOIR FOIA Service Center sent a final response letter for this request and appeal rights were outlined. Also, we released the six previously released pages from FOIA 2017-22261. The record was released in full. That same date, the request was closed. True and correct copies of these correspondences are attached to this declaration as Attachment A.

B. PLAINTIFF'S FOIA 2021-41956

19. I have reviewed Plaintiff's FOIA request filed on June 22, 2021, in its entirety, which

generally sought:

*all system records and other items maintained, produced, or distributed by EOIR pertaining to **Miguel Silvestre**. His "alien number" is 077-166-008. He was born in Sacramento, on [REDACTED]. This request includes but is not limited to all memoranda, notes, reports, email messages, and all other system records or communications associated with or pertaining to Mr. Silvestre generated or received by EOIR. This also includes the record of proceedings for his immigration hearing(s), as well as any digital or audio recordings of prior hearing(s). Please include ALL calendar and case note records maintained by any EOIR digital systems, including screen shots of databases from which information on Mr. Silvestre is stored. The time frame of this request is 1/1/1996 to present.*

20. EOIR interpreted this request to be a request for Silvestre's record of proceedings.
21. The EOIR FOIA Service Center received a FOIA request by email on June 22, 2021. On July 2, 2021, the EOIR FOIA Service Center issued an acknowledgement letter and assigned the FOIA request control number FOIA 2021-41956. The acknowledgment letter notified Plaintiff that the request involved "unusual circumstances" based on the likely need to consult with field offices and outside agencies to find and process the documents. The acknowledgment letter offered the agency's FOIA Public Liaison and the mediation services of the Office of Government Information Services ("OGIS") to assist the requester.
22. On August 2, 2021, the requester sent a status inquiry to EOIR requesting an estimated

date of completion for this request. On August 4, 2021, EOIR provided an estimated completion date for November 24, 2021 “due to necessary operational changes as a result of the national emergency concerning the novel coronavirus disease (COVID-19) outbreak, there may be significant delay in the processing of your request. If your request is for a Record of Proceeding (ROP), those records ordinarily reside in individual hardcopy Record of Proceeding files located in one of the 67 EOIR Immigration Courts or 15 Federal Records Centers long-term storage facilities geographically located throughout the United States or its territories. Currently, the Immigration Courts and the Federal Records Centers are operating at limited capacity with limited staff and/or are closed due to COVID-19...”.

23. Mr. Miguel Silvestre had two proceedings, one proceeding with the Florence Immigration Court (FLO) and the other proceeding with the Phoenix Immigration Court (EAZ). Therefore, the EOIR FOIA Service Center did two separate ROP requests.
24. On August 13, 2021, the EOIR FOIA Service Center requested the first ROP. On September 2, 2021, the EOIR FOIA Service Center received the first ROP. On August 25, 2022, the EOIR FOIA Service Center sent the first ROP offsite to be scanned.
25. On August 13, 2021, the EOIR FOIA Service Center requested the second ROP. On September 20, 2022, the EOIR FOIA Service Center received the second ROP. Then, the EOIR FOIA Service Center sent the second ROP offsite to be scanned.
26. On October 24, 2022, the EOIR FOIA Service Center sent a final response letter for this request in which the requested records of the two proceedings, including two sets of records with 24 pages each, were released through the Justice Enterprise File Sharing System

(JEFS), and appeal rights were outlined. That same date, the request was closed. True and correct copies of these correspondences are attached to this declaration as Attachment B.

C. PLAINTIFF'S FOIA 2021-52588

27. I have reviewed Plaintiff's FOIA request filed on August 16, 2021, in its entirety, which generally sought:

all system records and other items maintained, produced, or distributed by EOIR on Christopher Archie, A#018-658-496, DOB [REDACTED]. This includes the record of proceeding for hearing(s), the case management interface outputs, as well as digital or audio recordings of hearing(s) and any email or other communications about his case. The time frame of this request is 1980 to the present.

28. EOIR interpreted this request to be a request for Archie's record of proceedings.

29. The EOIR FOIA Service Center received a FOIA request by email on August 16, 2021. On September 1, 2021, the EOIR FOIA Service Center issued an acknowledgement letter and assigned the FOIA request control number FOIA 2021-52588. The acknowledgment letter notified Plaintiff that the request involved "unusual circumstances" based on the likely need to consult with field offices and outside agencies to find and process the document. The acknowledgment letter offered the agency's FOIA Public Liaison and the mediation services of the Office of Government Information Services ("OGIS") to assist the requester.

30. On September 7, 2021, the EOIR FOIA Service Center requested the ROP from to the Miami Immigration Court (MIA).

31. On September 30, 2021, the requester sent a status inquiry to EOIR requesting an estimated

date of completion for this request. That same date, EOIR provided an estimated completion date for January 20, 2022, “due to necessary operational changes as a result of the national emergency concerning the novel coronavirus disease (COVID-19) outbreak, there may be significant delay in the processing of your request. If your request is for a Record of Proceeding (ROP), those records ordinarily reside in individual hardcopy Record of Proceeding files located in one of the 67 EOIR Immigration Courts or 15 Federal Records Centers long-term storage facilities geographically located throughout the United States or its territories. Currently, the Immigration Courts and the Federal Records Centers are operating at limited capacity with limited staff and/or are closed due to COVID-19...”.

32. On October 4, 2021, Crystal Souza, FOIA Public Liaison, sent another email to the Miami Court requesting ROPs, including Christopher Archie’s ROP.
33. On December 17, 2021, the EOIR FOIA Service Center received the ROP from the Court. On October 4, 2022, the EOIR FOIA Service Center sent the ROP offsite to be scanned.
34. On October 13, 2022, the EOIR FOIA Service Center sent a final response letter for this request in which the requested records, including 54 pages and two audio files, were released through JEFS, and appeal rights were outlined. That same date, the request was closed. True and correct copies of these correspondences are attached to this declaration as Attachment C.

D. PLAINTIFF'S FOIA 2022-27937

35. I have reviewed Plaintiff's FOIA request filed on March 10, 2022, in its entirety, which generally sought:

*all system records and other items maintained, produced, or distributed by EOIR pertaining to **Toan Hoang**. His “alien number” is 025-105-060. He was born in*

Vietnam on [REDACTED]. This request includes but is not limited to all memoranda, notes, reports, email messages, and all other system records or communications associated with or pertaining to Mr. Hoang generated or received by EOIR. This also includes the record of proceedings for his immigration hearing(s), as well as any digital or audio recordings of prior hearing(s). Please include ALL calendar and case note records maintained by any EOIR digital systems. The time frame of this request is January 1, 1995, to the present.

36. EOIR interpreted this request to be a request for Hoang's record of proceedings.
37. The EOIR FOIA Service Center received a FOIA request by email on March 10, 2022, through the National FOIA Portal. On March 10, 2022, an acknowledgement letter and a status update were sent to Plaintiff by Public Access Link (PAL) assigned the FOIA request control number FOIA 2022-27937. On March 16, 2022, the EOIR FOIA Service Center issued an acknowledgement letter and notified Plaintiff that the request involved "unusual circumstances" based on the likely need to consult with field offices and outside agencies to find and process the document. The acknowledgment letter offered the agency's FOIA Public Liaison and the mediation services of the Office of Government Information Services ("OGIS") to assist the requester.
38. The record of proceedings for Mr. Hoang were previously requested by another requester under FOIA request 2022-11635. EOIR received this FOIA request on November 12, 2021.
39. Accordingly, on December 6, 2021, the EOIR FOIA Service Center requested the ROP from the Los Angeles Court, LOS . On January 10, 2022, the EOIR FOIA Service Center received the ROP from the Court. Then, the EOIR FOIA Service Center sent the ROP offsite to be scanned.

40. On October 28, 2022, the EOIR FOIA Service Center sent a final response letter for this request in which the requested records, including 38 pages and one audio file, were released through JEFS, and appeal rights were outlined. That same date, the request was closed. True and correct copies of these correspondences are attached to this declaration as Attachment D.

E. PLAINTIFF'S FOIA 2022-52897

41. I have reviewed Plaintiff's FOIA request filed on August 18, 2022, in its entirety, which generally sought:

All system records and other items maintained, produced, or distributed by EOIR pertaining to Pascal Charpentier, including but not limited to the Record of Proceedings, including all audio recordings. His date of birth is [REDACTED]. His country of birth is Germany but ICE has stated in error it is Haiti. His "alien" number was 029001711, and in 2016 he was given this number: 020578103. This request includes but is not limited to all memoranda, notes, reports, email messages, and all other system records or communications associated with or pertaining to Mr. Charpentier generated or received by EOIR. Please include ALL calendar and case note records maintained by any EOIR digital systems. The time frame of this request is January 1, 1972 to August 18, 2022.

42. On that same date, the requester also requested expedited processing.

43. EOIR interpreted this request to be a request for Charpentier's record of proceedings.

44. On October 6, 2022, the EOIR FOIA Service Center issued an acknowledgement letter and assigned the FOIA request control number FOIA 2021-52588. The acknowledgment letter

notified Plaintiff that the request involved "unusual circumstances" based on the likely need to consult with field offices and outside agencies to find and process the document. The acknowledgment letter offered the agency's FOIA Public Liaison and the mediation services of the Office of Government Information Services ("OGIS") to assist the requester.

45. That same date, the EOIR FOIA Service Center issued a letter granting the expedited processing request and the request was designated as an "Expedited (Track 1)" request.
46. Because the immigration proceeding had been appealed to the Board of Immigration Appeals (BIA) on September 2, 2022, the BIA had already scanned the ROP to create a certified copy. On October 18, 2022, the EOIR FOIA Service Center contacted the Pacific Architect and Engineers (PAE), the company that does all offsite scanning of ROPs for EOIR, to request a copy of the electronic file. On October 19, 2022, PAE sent the electronic file to the EOIR FOIA Service Center.
47. On October 11, 2022, an interim response letter was sent to the requester providing access to twelve audio recordings through JEFS.
48. On October 19, 2022, the EOIR FOIA Service Center sent a final response letter for this request in which the requested records, including 2,060 pages, were released through JEFS, and appeal rights were outlined. Also, we provided the links to the audio again. That same day, the request was closed. True and correct copies of these correspondences are attached to this declaration as Attachment E.
49. EOIR did not redact any records or withhold any records in response to any of the FOIA requests discussed above.
50. Stevens also requested that EOIR produce screenshots of databases from which information on Mr. Silvestre is stored. However, the Act does not obligate agencies to

create or retain documents; it only obligates them to provide access to those which it in fact has created and retained. By creating screenshots, it will require EOIR to create a new record.

51. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Re: FOIA 2020-60017

Dear Prof. Stevens,

This letter is in response to your Freedom of Information Act (FOIA) requests to the Executive Office for Immigration Review (EOIR) in which you seek data previously released in FOIA request 2017-22261.

The responsive document is attached. There will be no charge for this information.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist. *See* <http://www.justice.gov/oip/foiapost/2012foiapost9.html>.

You may contact our FOIA Public Liaison at the telephone number 703-605-1297 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope

should be clearly marked "Freedom of Information Act Appeal."

Re: 2021-41956

Freedom of Information Act Request for GUZMAN-SILVESTRE, MIGUEL

Dear Jacqueline Stevens,

This response acknowledges receipt of your Freedom of Information Act (FOIA) request by the Executive Office for Immigration Review (EOIR) dated 06/22/2021 and received 06/22/2021. Your request has been assigned control number 2021-41956.

Please be advised that due to necessary operational changes as a result of the national emergency concerning the novel coronavirus disease (COVID-19) outbreak, there may be significant delay in the processing of your request. If your request is for a Record of Proceeding (ROP), those records ordinarily reside in individual hard-copy Record of Proceeding files located in one of the 67 EOIR Immigration Courts or 15 Federal Records Centers long-term storage facilities geographically located throughout the United States or its territories. Currently, the Immigration Courts and the Federal Records Centers are operating at limited capacity with limited staff and/or are closed due to COVID-19. To check on current operating status for EOIR's Immigration Courts or NARA's Federal Records Centers, please visit <https://www.justice.gov/eoir-operational-status><https://urldefense.com/v3/https://www.justice.gov/eoir-operational-status_!!Dq0X2DkFhyF93HkjWTBQKhk!B0s4r0Rp_FuBha6dalXwLniGnpbd3YuXzH8Zs5o0q89NffwKGaNOKfOKpUZf0gx2E3RSSE-18z7FVYAS> and <https://www.archives.gov/frc/operating-status><https://urldefense.com/v3/https://www.archives.gov/frc/operating-status_!!Dq0X2DkFhyF93HkjWTBQKhk!B0s4r0Rp_FuBha6dalXwLniGnpbd3YuXzH8Zs5o0q89NffwKGaNOKfOKpUZf0gx2E3RSSE-IUPSGL8QS>.

If you have filed a fee waiver request, EOIR will address the fee waiver in a separate letter. Most requests for records of proceedings do not require any fees; however, if the fees for processing the request are estimated to exceed \$25.00, EOIR will notify you before processing the request to determine whether you will commit to paying the fee or whether you wish to narrow the scope of your request to reduce the fee. Fees may be charged for searching records at the rate of \$4.75 (administrative)/\$10.00 (professional) per quarter hour, and for duplication of copies at the rate of \$.05 per copy. The first 100 copies and two hours of search time are not charged, and charges must exceed \$25.00 before we will charge a fee.

The FOIA requires an agency to respond within 20 working days after receipt of the request, and EOIR endeavors to meet this standard. The FOIA permits a ten-day extension of this time period, pursuant to 5 U.S.C. § 552(a)(6)(B), based on unusual circumstances. Your request involves "unusual circumstances," and EOIR is extending the time period to respond by an additional 10 working days because your request requires the collection of records from field offices, or involves a search, collection, and review of voluminous records, or requires consultation with another agency or two or more agency components.

EOIR FOIA requests are placed in one of three tracks. Track one is for those requests that seek and receive expedited processing pursuant to subsection (a)(6)(E) of the FOIA. Track two is for simple requests that do not involve voluminous records or lengthy consultations with other entities. Track three is for complex requests that involve voluminous records and for which lengthy or numerous consultations are

required, or those requests that may involve sensitive records. As a matter of default, your request has been placed in track two for simple requests. If you have requested expedited processing, EOIR will contact you in a separate letter.

If you have any questions regarding unusual circumstances, you may contact the EOIR FOIA Service Center or FOIA Public Liaison at (703) 605-1297 or EOIR.FOIArequests@usdoj.gov to discuss reformulation or an alternative time frame to process your request, or for any further assistance regarding any aspect of your request. Alternatively, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at (202) 741-5770; toll free at (877) 684-6448; or facsimile at (202) 741-5769.

Subject: Re: DOJ-EOIR FOIA Request # 2021-41956

Thank you for this reply. In the future, I would appreciate signed correspondence.

I see no reference to the FOIA statute to justify any delay in the production of responsive records. The DOJ and its components are obligated to abide by the FOIA statute and to distribute funds appropriately. If the DOJ/EOIR refuses to comply with the statute, then the proper recourse would be to request exemptions from the Act from Congress. The DOJ has not done this. Therefore, there is no legal basis for the failure to produce responsive records and the EOIR is flagrantly violating the FOIA statute.

I am reiterating my request for EOIR to comply with the statute and to produce all responsive records. It is against law and good policy for the DOJ and requesters to have to spend more resources to litigate this -- the EOIR is clearly wrong on the law. As a taxpayer, requester, and citizen, I would hope you would devote govt. resources to hiring staff to respond to FOIA requests, per the law, not paying AUSAs and EOIR attorneys to defend the indefensible.

Thank you,
Jackie Stevens

Subject:	DOJ-EOIR FOIA Request # 2021-52588
Date Sent:	9/1/2021 8:48:51 AM
Body:	<p>Re: 2021-52588 Freedom of Information Act Request for ARCHIE, CHRISTOPHER ANTHONY</p> <p>Dear Jacqueline Stevens,</p> <p>This response acknowledges receipt of your Freedom of Information Act (FOIA) request by the Executive Office for Immigration Review (EOIR) dated 08/16/2021 and received 08/16/2021. Your request has been assigned control number 2021-52588.</p> <p>-</p> <p>Please be advised that due to necessary operational changes as a result of the national emergency concerning the novel coronavirus disease (COVID-19) outbreak, there may be significant delay in the processing of your request. If your request is for a Record of Proceeding (ROP), those records ordinarily reside in individual hard-copy Record of Proceeding files located in one of the 66 EOIR Immigration Courts or 15 Federal Records Centers long-term storage facilities geographically located throughout the United States or its territories. Currently, the Immigration Courts and the Federal Records Centers are operating at limited capacity with limited staff and/or are closed due to COVID-19. To check on current operating status for EOIR's Immigration Courts or NARA's Federal Records Centers, please visit https://www.justice.gov/eoir-operational-status and https://www.archives.gov/frc/operating-status.</p> <p>If you have filed a fee waiver request, EOIR will address the fee waiver in a separate letter. Most requests for records of proceedings do not require any fees; however, if the fees for processing the request are estimated to exceed \$25.00, EOIR will notify you before processing the request to determine whether you will commit to paying the fee or whether you wish to narrow the scope of your request to reduce the fee. Fees may be charged for searching records at the rate of \$4.75 (administrative)/\$10.00 (professional) per quarter hour, and for duplication of copies at the rate of \$.05 per copy. The first 100 copies and two hours of search time are not charged, and charges must exceed \$25.00 before we will charge a fee.</p> <p>The FOIA requires an agency to respond within 20 working days after receipt of the request, and EOIR endeavors to meet this standard. The FOIA permits a ten-day extension of this time period, pursuant to 5 U.S.C. § 552(a)(6)(B), based on unusual circumstances. Your request involves "unusual circumstances," and EOIR is extending the time period</p>

to respond by an additional 10 working days because your request requires the collection of records from field offices, or involves a search, collection, and review of voluminous records, or requires consultation with another agency or two or more agency components.

EOIR FOIA requests are placed in one of three tracks. Track one is for those requests that seek and receive expedited processing pursuant to subsection (a)(6)(E) of the FOIA. Track two is for simple requests that do not involve voluminous records or lengthy consultations with other entities. Track three is for complex requests that involve voluminous records and for which lengthy or numerous consultations are required, or those requests that may involve sensitive records. As a matter of default, your request has been placed in track two for simple requests. If you have requested expedited processing, EOIR will contact you in a separate letter.

If you have any questions regarding unusual circumstances, you may contact the EOIR FOIA Service Center or FOIA Public Liaison at (703) 605-1297 or EOIR.FOIArequests@usdoj.gov to discuss reformulation or an alternative time frame to process your request, or for any further assistance regarding any aspect of your request. Alternatively, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at (202) 741-5770; toll free at (877) 684-6448; or facsimile at (202) 741-5769.

Sincerely,

Freedom of Information Act Request for ARCHIE, CHRISTOPHER ANTHONY

Dear Jacqueline Stevens,

This response acknowledges receipt of your Freedom of Information Act (FOIA) request by the Executive Office for Immigration Review (EOIR) dated 08/16/2021 and received 08/16/2021. Your request has been assigned control number 2021-52588.

Please be advised that due to necessary operational changes as a result of the national emergency concerning the novel coronavirus disease (COVID-19) outbreak, there may be significant delay in the processing of your request. If your request is for a Record of Proceeding (ROP), those records ordinarily reside in individual hard-copy Record of Proceeding files located in one of the 66 EOIR Immigration Courts or 15 Federal Records Centers long-term storage facilities geographically located throughout the United States or its territories. Currently, the Immigration Courts and the Federal Records Centers are operating at limited capacity with limited staff and/or are closed due to COVID-19. To check on current operating status for EOIR's Immigration Courts or NARA's Federal Records Centers, please visit <https://www.justice.gov/eoir-operational-status> <<https://urldefense.com/v3/https://www.justice.gov/eoir-operational-status>!!Dq0X2DkFhyF93HkjWTBQKhk!AZdxrNDevOZwMBnl7bT8tdJwasTluGoVfpZTlhmA7nA2ojY3gMF9dt7BE7kMc6c1hJyYTmSDngITPsE\$> and <https://www.archives.gov/frc/operating-status> <<https://urldefense.com/v3/https://www.archives.gov/frc/operating-status>!!Dq0X2DkFhyF93HkjWTBQKhk!AZdxrNDevOZwMBnl7bT8tdJwasTluGoVfpZTlhmA7nA2ojY3gMF9dt7BE7kMc6c1hJyYTmSDszDHwG4\$>

If you have filed a fee waiver request, EOIR will address the fee waiver in a separate letter. Most requests for records of proceedings do not require any fees; however, if the fees for processing the request are estimated to exceed \$25.00, EOIR will notify you before processing the request to determine whether you will commit to paying the fee or whether you wish to narrow the scope of your request to reduce the fee. Fees may be charged for searching records at the rate of \$4.75 (administrative)/\$10.00 (professional) per quarter hour, and for duplication of copies at the rate of \$0.05 per copy. The first 100 copies and two hours of search time are not charged, and charges must exceed \$25.00 before we will charge a fee.

The FOIA requires an agency to respond within 20 working days after receipt of the request, and EOIR endeavors to meet this standard. The FOIA permits a ten-day extension of this time period, pursuant to 5 U.S.C. § 552(a)(6)(B), based on unusual circumstances. Your request involves "unusual circumstances," and EOIR is extending the time period to respond by an additional 10 working days because your request requires the collection of records from field offices, or involves a search, collection, and review of voluminous records, or requires consultation with another agency or two or more agency components.

EOIR FOIA requests are placed in one of three tracks. Track one is for those requests that seek and receive expedited processing pursuant to subsection (a)(6)(E) of the FOIA. Track two is for simple requests that do not involve voluminous records or lengthy consultations with other entities. Track three is for complex requests that involve voluminous records and for which lengthy or numerous consultations are required, or those requests that may involve sensitive records. As a matter of default, your request has been placed in track two for simple requests. If you have requested expedited processing, EOIR will contact you in a separate letter.

If you have any questions regarding unusual circumstances, you may contact the EOIR FOIA Service Center or FOIA Public Liaison at (703) 605-1297 or EOIR.FOIArequests@usdoj.gov to discuss reformulation or an alternative time frame to process your request, or for any further assistance regarding any aspect of your request. Alternatively, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information

Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at (202) 741-5770; toll free at (877) 684-6448; or facsimile at (202) 741-5769

Sincerely,

Subject: [EXTERNAL] FOIA Request Case # 2021-52588

Hi there,

I have previously written to inquire about EOIR's failure to provide responsive records in the statutory time frame for records of Christopher Archie.

My office on the following dates called 703-605-1297 and left voice messages seeking further information:

8/4 (4:17pm): Sent to Voicemail (left message with name, phone number, and FOIA case number)

8/8 (3:18 pm): Sent to Voicemail (left message with name, phone number, and FOIA case number)

8/9 (2:20pm): Sent to Voicemail (left message with name, phone number, and FOIA case number) The number called is the number on the EOIR website, here: <https://www.justice.gov/eoir/freedom-information-act-foia>

If EOIR is no longer answering calls to this number, please post a working number where the public may contact FOIA officers, per the FOIA statute.

We are planning on filing a new FOIA complaint. If we do not immediately receive records responsive to this request we will need to include EOIR as defendant.

Thank you,

Jackie Stevens

Body:	<p>Dear Jacqueline Stevens,</p> <p>This response acknowledges receipt of your Freedom of Information Act (FOIA) request by the Executive Office for Immigration Review (EOIR) . Your request has been assigned control number 2022-27937.</p> <p>Please be advised that due to necessary operational changes as a result of the national emergency concerning the novel coronavirus disease (COVID-19) outbreak, there may be significant delay in the processing of your request. If your request is for a Record of Proceeding (ROP), those records ordinarily reside in individual hard-copy Record of Proceeding files located in one of the 66 EOIR Immigration Courts or 15 Federal Records Centers long-term storage facilities geographically located throughout the United States or its territories. Currently, the Immigration Courts and the Federal Records Centers are operating at limited capacity with limited staff and/or are closed due to COVID-19. To check on current operating status for EOIR's Immigration Courts or NARA's Federal Records Centers, please visit https://www.justice.gov/eoir-operational-status and https://www.archives.gov/frc/operating-status.</p> <p>If you have filed a fee waiver request, EOIR will address the fee waiver in a separate letter. Most requests for records of proceedings do not require any fees; however, if the fees for processing the request are estimated to exceed \$25.00, EOIR will notify you before processing the request to determine whether you will commit to paying the fee or whether you wish to narrow the scope of your request to reduce the fee. Fees may be charged for searching records at the rate of \$4.75 (administrative)/\$10.00 (professional) per quarter hour, and for duplication of copies at the rate of \$.05 per copy. The first 100 copies and two hours of search time are not charged, and charges must exceed \$25.00 before we will charge a fee.</p> <p>The FOIA requires an agency to respond within 20 working days</p>

after receipt of the request, and EOIR endeavors to meet this standard. The FOIA permits a ten-day extension of this time period, pursuant to 5 U.S.C. § 552(a)(6)(B), based on unusual circumstances. Your request involves "unusual circumstances," and EOIR is extending the time period to respond by an additional 10 working days because your request requires the collection of records from field offices, or involves a search, collection, and review of voluminous records, or requires consultation with another agency or two or more agency components.

EOIR FOIA requests are placed in one of three tracks. Track one is for those requests that seek and receive expedited processing pursuant to subsection (a)(6)(E) of the FOIA. Track two is for simple requests that do not involve voluminous records or lengthy consultations with other entities. Track three is for complex requests that involve voluminous records and for which lengthy or numerous consultations are required, or those requests that may involve sensitive records. Date Sent:	3/16/2022 9:30:59 AM
Body:	<p>Re: 2022-27937 Freedom of Information Act Request for HOANG, TOAN MANH</p> <p>Dear Jacqueline Stevens,</p> <p>This response acknowledges receipt of your Freedom of Information Act (FOIA) request by the Executive Office for Immigration Review (EOIR) dated 03/10/2022 and received 03/10/2022. Your request has been assigned control number 2022-27937. If you made your request by email, mail, or fax, please go to https://foia.eoir.justice.gov/ to register an account in order to receive any documents produced in response to your request.</p> <p>-</p> <p>Please be advised that due to necessary operational changes as a result of the national emergency concerning the novel coronavirus disease (COVID-19) outbreak, there may be significant delay in the processing of your request. If your request is for a Record of Proceeding (ROP), those records ordinarily reside in individual hard-copy ROP files located in one of the 66 EOIR Immigration Courts or 15 Federal Records Centers' long-term storage facilities geographically located throughout the United States or its territories. Currently, the Immigration Courts and the Federal Records Centers are operating at limited capacity with limited staff and/or are closed due to COVID-19. To check on current operating status for EOIR's Immigration Courts or NARA's Federal Records Centers, please visit https://www.justice.gov/eoir-operational-status and https://www.archives.gov/frc/operating-status.</p> <p>If you have filed a fee waiver request, EOIR will address the fee waiver in a separate letter. Most requests for records of proceedings do not require any fees; however, if the fees for processing the request are estimated to exceed \$25.00, EOIR will notify you before processing the request to determine whether you will commit to paying the fee or whether you wish to narrow the scope of your request to reduce the fee. Fees may be charged for searching records at the rate of \$4.75 (administrative)/\$10.00 (professional) per quarter hour, and for duplication of copies at the rate of \$.05 per copy. The first 100 copies and two hours of search time are not charged, and charges must exceed \$25.00 before we will charge a fee.</p> <p>The FOIA requires an agency to respond within 20 working days after receipt of the request, and EOIR endeavors to meet this standard. The FOIA permits a ten-day extension of this time period, pursuant to 5</p>

U.S.C. § 552(a)(6)(B), based on unusual circumstances. Your request involves “unusual circumstances,” and EOIR is extending the time period to respond by an additional 10 working days because your request requires the collection of records from field offices, or involves a search, collection, and review of voluminous records, or requires consultation with another agency or two or more agency components.

EOIR FOIA requests are placed in one of three tracks. Track one is for those requests that seek and receive expedited processing pursuant to subsection (a)(6)(E) of the FOIA. Track two is for simple requests that do not involve voluminous records or lengthy consultations with other entities. Track three is for complex requests that involve voluminous records and for which lengthy or numerous consultations are required, or those requests that may involve sensitive records. As a matter of default, your request has been placed in track two for simple requests. If you have requested expedited processing, EOIR will contact you in a separate letter.

If you have any questions regarding unusual circumstances, you may contact the EOIR FOIA Service Center or FOIA Public Liaison at (703) 605-1297 or EOIR.FOIArequests@usdoj.gov to discuss reformulation or an alternative time frame to process your request, or for any further assistance regarding any aspect of your request. Request Information

All system records and other items maintained, produced, or distributed by EOIR pertaining to Pascal Charpentier, including but not limited to the Record of Proceedings, including all audio recordings. His date of birth is [REDACTED]. His country of birth is Germany but ICE has stated in error it is Haiti. His "alien" number was 029001711, and in 2016 he was given this number: 020578103.

This request includes but is not limited to all memoranda, notes, reports, email messages, and all other system records or communications associated with or pertaining to Mr. Charpentier generated or received by EOIR.

Description

Please include ALL calendar and case note records maintained by any EOIR digital systems.

Mr. Charpentier has signed a waiver, including a certificate of identity, allowing me to receive these records. Please find a copy of this waiver attached. It includes his proof of identity.

Please note that the box for "expedited response" request cut me after two lines. An expedited response is merited under the statute -- Mr. Charpentier's deportation to Haiti, a country he has never visited, puts him at physical risk; substantially violates his due process rights; and is of enormous interest to the public.
