I reviewed the draft. Honestly, reworking this draft is going to take more time than I can provide while at this training. Nonetheless, I want to at least get you – and EROLD management – my thoughts (I will forward them the attachment as well). Unfortunately, (b)(6); is aware, I am also out of the office most of next week (Tuesday is the only day I will be at the PCN). It is likely we may need more time, or (b)(6);(b) may choose to have one of my colleagues assist next week. I hope this is at least minimally helpful.

(b)(6); asked for a blurb on this suit, on the assumption that Mr. Homan will be interested. So, please prepare one. I've reprinted a couple of samples, below. You'll recognize one of them. 😊
Thank you.

FYI, (b)(6);(b)(7)(C) passed this on to me just now. It is a complaint by the GEO Corp against the city of Tacoma, Washington,

seeking relief from compliance with City Ordinance No. 28491.

The complaint is dated today, but I don't see a case number, and can't find it in PACER. So not clear if it has been filed yet.
