Dear Ms. Trangsrud,

I hope this finds you well.

Still waiting for a response. These are public comments; no redactions needed. I am really baffled. "COVID" and "understaffing" are problems that require the GSA to find more funding to meet the mandate of the FOIA. My hunch is that the transaction time you are spending following up on this is longer than it would take to just send the requested information.

Thanks and best wishes for the holiday,
Jackie

Dr. Stevens,

Unfortunately, due to COVID and understaffing, we are often unable to meet our estimated completion dates. I have requested an updated completion date from the FOIA analyst assigned to this FOIA and will respond with that information as soon as possible.

Best and please stay safe,

Cassie Trangsrud

Dear Ms. Trangsrud,

thank you for the follow up from early October. It is now well past the statutory deadline and also the "end of October." Can you please release all responsive documents immediately?

Thank you,
Jacqueline Stevens

Dr. Stevens,

I've followed up with the FOIA analyst and the SME has estimated that it will be complete by the end of October.

I will keep you posted if I have any updates.

Hi there,

Just writing to follow up on my FOIA request for comments on a FAR. 32 business days have passed since it was received by GSA, beyond the deadlines of the FOIA statute. I would appreciate it if you could share with me an estimated date of completion.

Thank you,
