12 THE GEO GROUP, INC., a Florida

13 Defendant.

CASE NO. 3:17-cv-05769-RJB

ORDER ON JOINT STATUS
REPORT

14 THIS MATTER comes before the Court on the parties' April 5, 2019 Joint Status Report.
15 Dkt. 165. The Court has reviewed the report and the remaining file.

16 On February 5, 2019, the Court approved the parties' proposed Long Form Class Notice
17 by order. Dkt. 142. That order provided, in part:

18 Creating the Publication Class Notices contemplated by the Notice Plan will
19 require certain information about the Class Members. Defendant has informed
20 Plaintiffs that certain of the information that Plaintiffs have requested be included
must be obtained from [U.S. Immigration and Customs Enforcement ("ICE")],
21 and further that the production of the Class List is subject to government approval
of the parties' yet-to-be filed proposed protective order. If the approval from the
22 appropriate government authorities as to the protective order is not received by
February 8, 2019, the parties will meet and confer and contact the Court as
necessary.

23 *Id.*

1 After an extension of time was granted, the parties each filed proposed protective orders,
2 and the Plaintiffs' Motion for a Protective Order was granted. Dkt. 161. In the pleadings related
3 to the proposed protective orders, the parties informed the Court that the Defendant had not
4 produced a class list because they were waiting for entry of the protective order and then
5 cooperation from ICE. Accordingly, the parties were ordered to file a report regarding the status
6 of the class list and required notices on or before April 5, 2019. Dkt. 161. On March 25, 2019,
7 the protective order was entered. Dkt. 163.

8 The parties filed the instant Joint Status Report as directed on April 5, 2019. Dkt. 165.
9 They indicate that the Defendant still has not produced the class list, but expects to do so by
10 April 12, 2019. *Id.* The parties also state that during a conferral about the class list, the
11 Plaintiffs have requested other information about the class members; the Defendant states that it
12 does not have that information, but will follow up with ICE to see if that information is available.
13 *Id.* The report further provides that: "Plaintiffs' respectfully request the Court set a deadline for
14 GEO to produce a Class List, including (1) address prior to detention, (2) forwarding address at
15 the time of release, (3) telephone number, (4) email address, and (5) alien registration number or
16 'A-number.'" *Id.*

17 A deadline should be set for the Defendant to produce the class list, and the other contact
18 information the Plaintiffs seek, if any is available. Accordingly, the Defendant should be
19 ordered to produce the class list by **April 12, 2019**. Supplements to the class list, including class
20 member contact information, if any, should be produced by **April 29, 2019**. The parties should
21 cooperate to keep this case on schedule, in particular, in getting the class notices out. The other
22 deadlines in the case remain.

23 **IT IS SO ORDERED.**

1 The Clerk is directed to send uncertified copies of this Order to all counsel of record and
2 to any party appearing *pro se* at said party's last known address.

3 Dated this 8th day of April, 2019.
