¹ The accompanying Memorandum exceeds the twenty-five (25) page limit set out in LR 7.1 by five (5) pages. Accordingly, Federal Defendants have filed concurrently with the instant motion a Motion for Extension of Page Limit under LR 7.1 in light of the multiple counts and nine Federal Defendants addressed in the summary judgment motion and in an effort to address all the issues in one single document. If the Court deems it appropriate, Federal Defendants do not oppose allowing Plaintiff an additional five (5) pages in her response brief.
